A CIRCULAR WALK AROUND WOMBOURNE VILLAGE

2 MILES

This is a two-mile circular walk, one of a series based on the South Staffordshire Railway Walk.

The walk is easy and is a mixture of the Railway Walk, village streets, lanes and tracks. It should take about an hour. The walk is suitable for pushchairs and wheelchairs.

Walking is not only fun, it is an excellent form of exercise. Evidence shows that walking is playing an important role in the prevention of ill health.
