### NOTES

#### 1) APPEALS

If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development, or to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment, Transport and Regions in accordance with Section 78(l) of the Town and Country Planning Act 1990. Any appeal must be made within **6 months** of the date of the decision. The Secretary of State has power to allow a longer period for giving of a notice of appeal, but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provision of the development order and to any directions given under the order.

**Appeal forms are obtained from The Planning Inspectorate, 3/07 Kite Wing, Temple Quay House, 2 The Square, Temple Quay, BRISTOL, BS1 6NP**

#### 2) PURCHASE NOTICE

If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or the Secretary of State for the Environment, Transport and Regions, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Borough Council or District Council or County Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

#### 3) COMPENSATION

In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
