

Equality Champions

- what we stand for...

Sharing best practice from our service areas with others

Promoting the equality and diversity agenda in all we do

**Gathering together evidence to help us reach the next stage of the
Equality Framework for Local Government**

Building our knowledge and sharing our expertise on our chosen equality strand

Helping to review and update our policies in line with legislation

Quality control monitors in our own service areas

Reviewing our equality impact assessment decisions

**Communicating the equality and diversity agenda to our colleagues,
service managers and directors**
