TAXI

We're offering a fantastic deal for our locally registered taxi drivers, operators and support staff, including control room staff and escorts... get training and a nationally recognised qualification... for FREE!

Each session only lasts for a few hours because we know how precious your time is. But it's well worthwhile and will lead to a national qualification... something for you to really boast about!

FREE training

I hope we hear from you soon – and remember it's all completely FREE!

We're running the course locally, in the new year - so if you're interested in taking part just give us a quick call on 01902 696803 or 01902 696804.
