#### NOTES:

**(1)** Regulation 8 (1) 2001 Regulations. Where the day or last day of the time allowed by these Regulations falls on an excluded day that time shall be extended to the next following non-excluded day.

**(2)** As applications for anonymous registration are not subject to the 5-day objection period, they may be received and determined later than normal applications for inclusion in the same alteration notice; the relevant dates are shown in Column 3 of the above tables. Applications, however, should be determined as soon as reasonably practicable once the ERO is in possession of all the required information and these dates should not be regarded as deadlines for receipt of applications.
