

South Staffordshire Council are introducing 'Recycle on the Go' Bins into village centres throughout the district, as funds allow.

The bins comprise of 2 separate 120 litre compartments, one for general litter, the other for plastic bottles, glass bottles and cans.

Bilbrook is to be allocated 'Recycling on the Go' Bins which will be located as follows:

1. Outside the Spar Shop on Pendeford Mill Lane.
2. By bench corner of Pendeford Mill Lane and Bilbrook Road
3. Corner of Lane Green Road and Duck Lane
4. Outside newsagents on Duck Lane

We have also been promised another 'Recycle on the Go' bin by Tesco in the future.

**Please help the environment and
keep our village tidy.**
