

Making a warmer South Staffordshire Can your community help?

We are looking for community groups and willing volunteers to help make South Staffordshire a warmer place this winter!

Did you know that households in South Staffordshire are spending £1m every week on heating and powering their homes...but there are still 16,000 lofts which haven't been insulated!

Loft insulation and cavity wall insulation could save each householder up to £300 a year on their heating bills and help the vulnerable keep warmer over the cold months!

Thanks to a new deal from EDF Energy we're able to offer local households the chance to get their walls and lofts insulated for FREE!

But we need your help to spread the word!

We're looking for local groups or individual volunteers from the areas of Penkridge, Acton Trussell, Bednall, Huntington, Hatherton, Cheslyn Hay, Saredon, Great Wryley, Essington, Newtown, Featherstone and Shareshill.

We need to ensure that as many residents benefit from this subsidised insulation as possible, before it runs out next year. After this the cost for most householders will rise up to as much as £1000 for wall and loft insulation.

Can you help? We'd love to hear from you! Just give us a call or send an email.

Call: Simon Ross at Marches Energy Agency on 01743 277016
email: simon@mea.org.uk

or

Call: Mandy Munro at South Staffordshire Council on 01902 696315
email: a.munro@sstaffs.gov.uk

All we need you to do is to spread the word about this FREE initiative to help make South Staffordshire a warmer place to be in 2012.
