Affordable Housing	<input type="checkbox"/>	Developer Contributions	<input type="checkbox"/>
Phasing of Housing Development	<input type="checkbox"/>	Open Space	<input type="checkbox"/>

We would also be grateful for your response to the following questions.

Q1. Are there any other types of locally based development policies that you think should be included in the Core Strategy, and if so what areas do they cover?

Q2. Are there any policies which you feel are not appropriate for the Core Strategy but could be better dealt with by way of Supplementary Planning Document?

Q3. Do you have any other comments to make about development policies?

Q4. In the context of climate change and renewable energy generation, the Council proposes to set a threshold above which, on-site renewable energy (no. of houses/sqm of floorspace) will be required. At what level do you think the trigger should be for such on-site provision?
