

	Settlement	A. Access to convenience stores/ supermarkets	B1. Diversity of other accessible community facilities/ services	B2. Retail centres study	C. Access to employment locations	D. Access to primary/ first school within settlement	D. Access to secondary/ high school within settlement	D. Access to 6th form/college within settlement	E. Public transport access to higher order services outside of the villages	Description
Tier 1 Settlements	Bilbrook	Green	Green	Green	Green	Green	Green	Green	Green	These settlements typically have food stores, a wider range of services and facilities than other villages, a range of education establishments, access to a train station and good access to employment and wider facilities outside the village via public transport. Codsall/Bilbrook and Penkridge in particular have better retail access, with large village centres within the respective settlements.

Tier 2 Settlements	Brewood	Yellow	Green	Yellow	Green	Green	Green	Green	Green	Settlements within this tier typically have a food store and a range of services and facilities and education establishments, but the level of provision will typically be less than Tier 1 villages, with the notable exception of Wombourne, which has a large village centre. All villages in this tier do not have access to rail stations and have lesser levels of employment access than Tier 1 villages. There is still a degree of access to services outside the village via public transport.

Tier 4 Settlements	Seisdon	Yellow	Red	Red	Yellow	Red	Red	Red	Red	few facilities. Typically, these settlements will have either a small food store and public transport access outside of the village or contain a limited degree of educational facilities (e.g. a primary school). Access to employment via public transport is much poorer than in the higher tiers and there is also much poorer access to other facilities by public transport, with some villages having no public transport provision.
