

South Staffordshire Council
Council of the Year 2022

Work experience placements for years 10 and 11

In 2023, we are introducing a new work experience scheme for students with a South Staffordshire district postcode.

If you want to arrange work experience, email us with details of:

- Your name
- School
- Year group
- Work experience dates
- The council service you want to work in

cc your school tutor or parents or we cannot reply to your e-mail

For further details contact

South Staffordshire Council
Council of the Year 2022

Work experience placements for sixth form students

If you attend one of our career open days or events and go on to study in one of our hard to recruit professions at college or university, you can apply for paid work experience each year during your studies with South Staffordshire Council.

Once you are on our work experience register you will be notified of any vacancies relating to the area you are studying in.

For further details contact
