SUMMARY AND EXPLANATION

THE COUNCIL'S CONSTITUTION

South Staffordshire Council has a constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law. Others are based on choices made by the Council.

The Constitution is divided into 16 articles which set out the basic rules governing the Council's business.

More detailed procedures and codes of practice are provided in separate rules and protocols at the end of the document.

WHAT'S IN THE CONSTITUTION?

Article 1 of the Constitution commits the Council to managing its affairs in the best interests of its community. Articles 2 – 16 explain the rights of residents and how the key parts of the Council operate. These are:

- Councillors (Article 2)
- Residents and the Council (Article 3)
- The Council (Article 4)
- Chairing the Council (Article 5)
- Overview and Scrutiny Committee (Article 6)
- The Cabinet (Article 7)
- Planning and other committees (Article 8)
- Panels and Forums (Article 9)
- The Standards and Resources Committee (Article 10)
- Joint arrangements (Article 11)
- Employees (Article 12)
- Decision making (Article 13)
- Finance, Contracts and Legal Matters (Article 14)
- Review and revision of the Constitution (Article 15)
- Suspension, interpretation and publication of the Constitution (Article 16)

HOW THE COUNCIL OPERATES

The Council comprises 42 councillors elected every four years. Councillors are democratically accountable to residents of their ward. The overriding duty of councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

An up to date list of Councillors can be viewed on the Council's website ([link here](#)) and at the Council Offices, Codsall. The last whole Council election was held in May 2023.

All Councillors meet together as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the Council's overall policies and set the budget each year. The Council is also responsible for appointing the Leader of the Council who then appoints an Executive (together formally entitled "the Cabinet") and for appointing Committees, some of which are responsible for overseeing and reviewing the decisions of the Cabinet, (Scrutiny Committees) while others discharge regulatory responsibilities or other functions which by law may not be discharged by the Cabinet, for example planning and licensing.

The Council also deals with other matters including those reserved to it by Law, all matters dealt with by the Council, as a whole are listed in Article 4.

The Leader of the Council determines the size of and appoints between 2 and 9 members of the Council to the Cabinet. These members are known as Cabinet Members or Assistant Cabinet Members. The Leader also allocates areas of responsibility to members of the Cabinet and may remove them from the Cabinet at any time.

The Leader is required to appoint one of the members of the Cabinet to be their deputy.

Councillors have to agree to follow a Code of Conduct to ensure high standards in the way they undertake their duties.

The Council is a member of the Local Government Association (through whichever organisational structure it operates)

HOW DECISIONS ARE MADE

The Leader of the Council ("the Leader") is responsible for the discharge of executive functions. The Leader may delegate some or all of those functions to members of the Cabinet and to others.

Meetings of the Cabinet will generally be open for the public to attend except where personal or confidential matters are being discussed. The Cabinet has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework, this must be referred to the Council as a whole to decide. Further details on the role of the Cabinet can be found in Part 2 Article 7 of this Constitution. Details of the areas of responsibilities held by the Cabinet Members and the powers and duties of the Committees/Sub-Committees can be found in Part 3 of this Constitution.

OVERVIEW AND SCRUTINY

The Council appoints an Overview and Scrutiny Committee, a Wellbeing Select Committee and an Asset Scrutiny Panel to support the work of the Cabinet and the Council as a whole.

These three Committees carry out the scrutiny function on behalf of the Council; full details can be found in Part 2 Article 6.

They allow a wider involvement in Council business by involving non-councillors from the wider public sector, voluntary and community groups to help them in their work. They may make reports and recommendations to the Cabinet and the Council as a whole on its policies, budget and service delivery.

PLANNING AND OTHER COMMITTEES

The Council has appointed a Planning Committee and a Licensing and Regulatory Committee to deal with matters mainly relating to applications from individuals for consents, approvals and permissions from the Council and a number of other similar functions.

It has also appointed an Audit & Risk Committee to deal with internal and external audit matters.

The Council has appointed a Disciplinary and Grievance Committee and a Disciplinary and Grievance Appeals Committee to deal with specified employment matters. Further details of these Committees are set out in Part 2 Article 8 of this Constitution.

STANDARDS AND RESOURCES COMMITTEE

The Council has established a Standards and Resources Committee to deal with matters relating to the Code of Conduct for Councillors and various governance related issues. Further details of the Standards and Resources Committee are set out at Part 2 Article 10 of this Constitution.

THE COUNCIL'S STAFF

The Council has people working for it (referred to as 'employees') to give advice, implement decisions and manage the day-to-day delivery of its services. Some employees have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A code of practice governs the relationships between employees and councillors. The Council's most senior member of staff is the Chief Executive. A protocol (to be found in Part 5) governs the relationships between employees and Councillors.

WORKING IN PARTNERSHIP

The Council works in partnership with other organisations to provide seamless, high quality services to its residents and businesses. Further details of the formal partnership arrangements can be found at Part 2 Article 11 of this Constitution.

RESIDENTS' RIGHTS

Residents have a number of rights in their dealings with the Council. These are set out in more detail in Part 2 Article 3 of this Constitution. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individual's legal rights. Where members of the public use specific council services, they may have additional rights. These are not covered in this Constitution.

Residents have the right to:

- vote at local elections if they are registered;
- contact their local councillor about any matters of concern to them;
- obtain a copy of this Constitution;
- attend meetings of the Council and its committees except where, for example, personal or confidential matters are being discussed;
- petition to request a referendum on a mayoral form of executive;
- attend meetings of the Cabinet (except where, for example, personal or confidential matters are being discussed);
- see reports and background papers, and any record of decisions made by the Council and the Cabinet subject to safeguards concerning sensitive matters;
- complain to the Council about any matter for which the Council is responsible, the Council has a formal complaints procedure to assist someone to do this – a leaflet explaining this procedure is available from the Council Offices, details of the procedure can be found on the Council's website;
- complain to the Ombudsman if they think the Council has not followed its procedures properly. (However, they should only do this after using the Council's own complaints process);

- complain to the Monitoring Officer if they have evidence which they think shows that a councillor has not followed the Council's Code of Conduct for Councillors;
- inspect the Council's accounts and make their views known to the external auditor;
- obtain details of Councillors' names and addresses and their political groups.

The Council welcomes participation by its residents in its work.

Copies of documents available to the public are normally deposited at the Council Offices and published on the Council's website. Reports recently submitted to the Council, the Cabinet and Committees and Sub-Committees are available on the Council's website, as are the minutes of recent meetings setting out the decisions taken. Major Policy Documents are also made available on the website (www.sstaffs.gov.uk).

The Cabinet has a key role in proposing the budget and policy framework to the Council. The Cabinet and its members will lead the strategic direction and the drive for best value; lead the preparation of the Council's policies and budget; take in year decisions on resources and priorities and be the focus for forming partnerships with other local public, private and voluntary and community sector organisations to address local needs. The Cabinet will also respond to any recommendations and reports from the Overview and Scrutiny Committee, and the Standards and Resources Committee relating to its functions.

The responsibilities of each individual member of the Cabinet are allocated by the Leader of the Council and are set out in Part 3 of this Constitution.

7.2 Form and composition

The Cabinet will consist of the Leader of the Council and between 2 and 9 members of the Council appointed to the Cabinet by the Leader of the Council and known as Cabinet Members or Assistant Cabinet Members; one of whom the Leader of the Council will appoint Deputy Leader of the Council.

Audio Recording at council meetings

South Staffordshire Council is committed to being open and transparent in the way it conducts its business. The press and members of the public are therefore welcome to film, photograph or record decision making in action at any meeting that is open to the public.

The Council also welcomes the use of social media, such as bloggers, tweeters, Facebook and YouTube users.

This Protocol provides practical information to assist anyone considering filming, videoing, photographing or making audio recordings of meetings.

Before the meeting

Anyone intending to film or record a meeting should contact the Corporate Director of Governance for advice and guidance. Reasonable advance notice will enable practical arrangements to be made and any special requirements to be discussed.

Flash photography, additional lighting or large equipment will not be permitted, unless agreed in advance and it can be accommodated without causing disruption to the proceedings. Requests to use equipment of this nature will be subject to consideration of the constraints of the meeting rooms.

General

The Chairman of the meeting or the relevant Cabinet Member will be informed of any intention to film and s/he will make an announcement to attendees before the start of the meeting informing attendees that the meeting may be filmed.

Notice of the filming/recording/broadcasting of meetings will be displayed in and outside the place of meeting and meeting agendas will include the following:

“The Council, members of the public and the press may record/film/photograph or broadcast this meeting when the public and the press are not lawfully excluded. Any member of the public who attends a meeting and objects to being filmed should advise the Corporate Director of Governance (in advance) who will instruct that they are not included in the filming.”

Members of the public speaking at, or attending, the meeting (including asking questions or presenting petitions) must not be filmed if they have indicated that they do not wish to be included.

Recording and reporting the council's meetings is subject to the law and it is the responsibility of those doing the recording and reporting to ensure compliance. This will include the Human Rights Act, the Data Protection Act and the laws of libel and defamation.

Any person or organisation choosing to film, record or broadcast any meeting of the Council, its Cabinet or committees is responsible for any claims or other liability resulting from them so doing and by choosing to film, record or broadcast proceedings they accept that they are required to indemnify the Council, its members and officers in relation to any such claims or liabilities.

The Council will display the requirements as to filming, recording and broadcasting at its meeting venues and those undertaking these activities will be deemed to have accepted them whether they have read them or not.

The Council will publish the guidance on the filming, recording and broadcasting of meetings on its website.

Filming or recording must be non-intrusive and the Council's Rules of Procedure Rule 22 provides for the removal of a member of the public from a meeting should that person, having been warned, continue to interrupt proceedings. The Chairman of a meeting or an individual Cabinet Member may also call any part of the meeting room to be cleared in the event of a general disturbance.

It should be noted that the Chairman of a meeting will have absolute discretion to terminate or suspend any of the above activities if, in his/her opinion, continuing to do so would prejudice the running of the meeting. The circumstances in which termination or suspension might occur could include:

- public disturbance, disruption or suspension of the meeting.
- the meeting agreeing to formally exclude the press and public from the meeting due to the exempt/confidential nature of the business being discussed, in accordance with statutory procedures.
- where it is considered that continued recording/ photography/ filming/ webcasting might infringe the rights or privacy of any individual (including staff members), or intimidate them.
- for any other reason which the Chairman considers reasonable in the circumstances.

During the meeting

Filming or recording of Meetings should:

- Not interfere with the effective conduct of the meeting, nor should it be disruptive or distracting. The Chairman or the Cabinet Member has discretion to suspend or stop filming or recording at any time if and to take appropriate action if anyone is, in his/her opinion, doing so in a disruptive manner.
- Not seek to 'overview' sensitive information such as close ups of confidential papers or private notes
- Usually take place from a specified location(s) within the room.
- Not obstruct others from observing and participating in the proceedings.
- Cease immediately if and when the meeting agrees to formally exclude the Press and public due to business of an Exempt or Confidential nature (see 'Exempt or confidential business' below).
- Not be edited in a way that could lead to misinterpretation of the proceedings or the comments made, or that ridicules those being filmed.
- When published or broadcast, recordings should be accompanied by information including when and where the recording was made and the context in which the discussion took place.
- Be overt (i.e. clearly visible to anyone at the meeting).
- Cease, unless continued filming has been explicitly agreed in advance with the Corporate Director of Governance, when the meeting is formally concluded.

Exempt or confidential business

All meetings of the Cabinet, Committee, Sub Committee and Panel meetings are open to the public except in limited circumstances where the Council is legally required, or allowed, to close the meeting to the public. The circumstances where business is 'exempt' or 'confidential' are set out in Section 2 Part 4 of the Council's Constitution.

PART 4 - SECTION 3

BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

PART 4 - SECTION 3 - BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

1.0 The Framework for Cabinet Decisions

The Council will be responsible for the adoption of its Budget and Policy Framework as set out in Article 4. Once a Budget or a Policy Framework is in place, it will be the responsibility of the Cabinet to implement it. References in these rules to the Policy Framework are to the plans and strategies required by law to be adopted by the Council as set out in Article 4.

Process for developing Policy Framework

- 1.1 The Leader of the Council will publicise at the Council's offices, on its website, and in the Council's newspaper, a timetable for making proposals to the Council for the adoption of any plan, strategy, or budget that forms part of the Budget and Policy Framework, and its arrangements for consultation after publication of those initial proposals. The Chairman of the Overview and Scrutiny Committee and the Chairman of the Audit & Risk Committee will also be notified. The consultation period shall, in each instance, be dependent on the nature or complexity of the plan strategy or budget in question but shall not be less than 4 weeks."
- 1.2 At the end of that period, the Cabinet will then draw up firm proposals having regard to the responses to that consultation. The Cabinet will then consult the Overview and Scrutiny Committee on the proposals. It will be open to the Overview and Scrutiny Committee to investigate, research or report in detail with policy recommendations before the end of the consultation period. The Cabinet will take any response submitted from the Overview and Scrutiny Committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees, and the Cabinet's further response.
- 1.3 Once the Cabinet has approved the firm proposals, they will be referred at the earliest opportunity to the Council for decision.
- 1.4 In reaching a decision, the Council may adopt the Cabinet's proposals, amend them, refer them back to the Cabinet for further consideration, or in principle, substitute its own proposals in their place.
- 1.5 If it accepts the recommendation of the Cabinet without amendment, the Council may make a decision which has immediate effect. Otherwise, it may only make an in-principle decision. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting.
- 1.6 The decision will be publicised and a copy shall be given to the Leader of the Council.
- 1.7 Where the Cabinet has submitted a draft plan or strategy to the Council for its consideration and, following consideration of that draft plan or strategy, the Council has any objections to it, the Council must take the action set out in Rule 1.8 below.

1.8. Before the Council:

1.8.1 amends the draft plan or strategy;

1.8.2 approves, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval, any plan or strategy (whether or not in the form of a draft) of which any part is required to be so submitted; or

1.8.3 adopts (with or without modification) the plan or strategy,

it must inform the Leader of the Council of any objections which it has to the draft plan or strategy and must give to him instructions requiring the Cabinet to reconsider, in the light of those objections, the draft plan or strategy submitted to it.

1.9 Where the Council gives instructions in accordance with Rule.1.8, it must specify a period of at least five working days beginning on the day after the date on which the Leader of the Council receives the instructions within which the Leader of the Council may:-

1.9.1 submit a revision of the draft plan or strategy as amended by the Cabinet (the “revised draft plan or strategy”), with the Cabinet’s reasons for any amendments made to the draft plan or strategy, to the Council for its consideration; or

1.9.2 inform the Council of any disagreement that the Cabinet has with any of the Council’s objections and the Cabinet’s reasons for any such disagreement.

1.10.1 amending the draft plan or strategy or, if there is one, the revised draft plan or strategy;

1.10.2 approving, for the purpose of its submission to the Secretary of State or any Minister of the Crown for his approval, any plan or strategy (whether or not in the form of a draft or revised draft) of which any part is required to be so submitted; or

1.10.3 adopting (with or without modification) the plan or strategy,

take into account any amendments made to the draft plan or strategy that are included in any revised draft plan or strategy, the Cabinet’s reasons for those amendments, any disagreement that the Cabinet has with any of the Council’s objections and the Cabinet’s reasons for that disagreement, which the Leader of the Council submitted to the Council, or informed the Council of, within the period specified.

 - 1.14.2 the Cabinet's reasons for those amendments;

1.14.3 any disagreement that the Cabinet has with any of the Council's objections;
and

1.14.4 the Cabinet's reasons for that disagreement,

which the Leader of the Council submitted to the Council, or informed the Council of, within the period specified.

1.15 The above Rules shall not apply in relation to -

1.15.1 calculations or substitute calculations which the Council is required to make in accordance with relevant legislation; and

Any other changes to the policy and budgetary framework are reserved to the Council.

REVENUE BUDGET PREPARATION, MONITORING AND CONTROL

Why is this important?

- 2.13 Budget management ensures that once the budget has been approved by the Council, resources allocated are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the authority to review and adjust its budget targets during the financial year. It also provides the mechanism holds budget managers to account for their areas.
- 2.14 The authority operates within an annual cash limit, approved when setting the overall budget. To ensure that the authority in total does not overspend, each service is required to manage its own expenditure within the cash-limited budget allocated to it.
- 2.15 A budget will normally be the planned income and expenditure for a service area or cost centre. However, budgetary control may take place at a more detailed level if this is required by the member of the Corporate Leadership Team.

Key Controls

- 2.16 The key controls for managing and controlling the revenue budget are:

- budget managers should be responsible only for income and expenditure that they can influence
- there is a nominated budget manager for each cost centre heading
- budget managers accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities
- budget managers follow an approved certification process for all expenditure

- income and expenditure are properly recorded and accounted for
- performance levels/levels of service are monitored in conjunction with the budget and necessary action is taken to align service outputs and budgets.

Responsibilities of the Director of Finance

- 2.17 To establish an appropriate framework of budgetary management and control that ensures that:
- budget management is exercised within annual cash limits unless the Council agrees otherwise.
 - each member of the Corporate Leadership Team has available timely information on receipts and payments on each budget which is sufficiently detailed to enable managers to fulfil their budgetary responsibilities.
 - expenditure is committed only against an approved budget head.
 - all officers responsible for committing expenditure comply with relevant guidance, and the financial procedure rules.
 - each cost centre has a single named manager, determined by the relevant member of the Corporate Leadership Team. As a general principle, budget responsibility should be aligned as closely as possible to the decision-making processes that commits expenditure.
 - significant variances from approved budgets are investigated and reported by budget managers regularly.
- 2.18 To administer the authority's scheme of virement.

- 2.22 To ensure that an accountable budget manager is identified for each item of income and expenditure under the control of the member of the Corporate Leadership Team (grouped together in a series of cost centres). As a general principle, budget responsibility should be aligned as closely as possible to the decision-making that commits expenditure.
- 2.23 To ensure that spending remains within the service's overall cash limit, and that individual budget heads are not overspent, by monitoring the budget and taking appropriate corrective action where significant variations from the approved budget are forecast.

- 2.24 To ensure that a monitoring process is in place to review performance levels/levels of service in conjunction with the budget and is operating effectively.
- 2.25 To prepare and submit to the Cabinet reports on the service's projected expenditure compared with its budget, in consultation with the Director of Finance.

BUDGETS AND MEDIUM-TERM FINANCIAL PLANNING

Why is this important?

- 2.29 The authority is a complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with priorities. The budget is the financial expression of the authority's plans and policies.
- 2.30 The revenue budget must be constructed to ensure that resource allocation properly reflects the service plans and priorities of the Council. Budgets are needed so that the authority can plan, authorise, monitor and control the way money is allocated and spent. It is illegal for an authority to budget for a deficit.
- 2.31 Authorities should prepare a Medium-Term Financial Plan to cover a 3 to 5 year period. This ensures that the authority is able to prepare for events in advance.

Key Controls

- 2.32 The key controls for budgets and medium-term planning are:
- specific budget approval for all expenditure
 - budget managers are consulted in the preparation of the budgets for which they will be held responsible and accept accountability within delegations set by the Cabinet
 - a monitoring process is in place to review regularly the effectiveness and operation of budget preparation and to ensure that any corrective action is taken.

- 2.35 To prepare and submit reports to the Cabinet on the aggregate spending plans of service areas and on the resources available to fund them, identifying, where appropriate, the implications for the level of council tax to be levied.
- 2.36 To advise on the medium-term implications of spending decisions.
- 2.37 To encourage the best use of resources and value for money by working with members of the Corporate Leadership Team to identify opportunities to improve economy, efficiency and effectiveness.
- 2.38 To advise the Council on Cabinet proposals in accordance with his or her responsibilities under section 151 of the Local Government Act 1972.

Responsibilities of members of the Corporate Leadership Team

- 2.39 To prepare estimates of income and expenditure, in consultation with the Director of Finance, to be submitted to the Cabinet.
- 2.40 To prepare budgets that are consistent with any relevant cash limits, with the authority's annual budget cycle and with guidelines issued by the Cabinet. The format should be prescribed by the Director of Finance in accordance with the Council's general directions.
- 2.41 To integrate financial and budget plans into service planning, so that budget plans can be supported by financial and non-financial performance measures.
- 2.42 In consultation with the Director of Finance and in accordance with the laid-down guidance and timetable, to prepare detailed draft revenue and capital budgets for consideration by the appropriate committee. These should have regard to:
- spending patterns and pressures revealed through the budget monitoring process
 - legal requirements
 - policy requirements as defined by the Council in the approved policy
 - framework initiatives already under way.

RESOURCE ALLOCATION

Why is this important?

- 2.43 A mismatch often exists between available resources and required resources. A common scenario is that available resources are not adequate to fulfil need. It is

therefore imperative that needs are carefully prioritised and that resources are fairly allocated, in order to fulfil all legal responsibilities.

Key Controls

2.44 The key controls for resource allocation are:

- resources are acquired in accordance with the law and using an approved authorisation process
- resources are used only for the purpose intended, to achieve the approved policies and objectives, and are properly accounted for
- resources are securely held for use when required
- resources are used with the minimum level of waste, inefficiency or loss for other reasons.

Responsibilities of the Director of Finance

2.45 To advise on methods available for the funding of resources, such as grants from central government and borrowing.

2.46 To assist in the allocation of resources to budget managers.

Responsibilities of members of the Corporate Leadership Team

2.47 To work within budget limits and to utilise resources allocated, and further allocate resources, in the most efficient, effective and economic way.

2.48 To identify opportunities to minimise or eliminate resource requirements or consumption without having a detrimental effect on service delivery.

CAPITAL PROGRAMMES

Why is this important?

2.49 Capital expenditure involves acquiring or enhancing fixed assets with a long-term value to the authority, such as land, buildings, and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.

2.50 The Prudential Code places controls on the financing capacity of the authority. This means that capital expenditure should form part of an investment strategy and should be carefully prioritised in order to maximise the benefit of scarce resources.

Key Controls

2.51 The key controls for Capital Programmes are:

- specific approval by the Council for the programme of capital expenditure
- expenditure on capital schemes is subject to the approval of the Director of Finance

- a scheme and estimate, including project plan, progress targets and associated revenue expenditure is prepared for each capital project, for approval by the Cabinet
- proposals for improvements and alterations to buildings must be approved by the appropriate member of the Corporate Leadership Team
- the development and implementation of asset management plans
- accountability for each capital proposal is accepted by a named manager
- monitoring of progress in conjunction with expenditure and comparison with approved budget.

Responsibilities of the Director of Finance

- 2.52 To prepare capital estimates jointly with members of the Corporate Leadership Team and to report them to the Cabinet for approval.
- 2.53 To prepare and submit quarterly reports to the Capital Working Group and Corporate Leadership Team on the projected scheme expenditure compared with the approved estimates.
- 2.54 To prepare and submit half yearly (Q1 and Q3) Finance and Capital Programme update reports to the Cabinet.
- 2.55 To issue guidance concerning capital schemes and controls, for example, on project appraisal techniques. The definition of 'capital' will be determined by the Director of Finance, having regard to government regulations and accounting requirements.
- 2.56 To obtain authorisation from the Cabinet for individual schemes where the estimated expenditure exceeds the Capital Programme provision by more than 10% of the original sum. This should be approved by the Capital Working Group before presentation to Cabinet.

Responsibilities of members of the Corporate Leadership Team

- 2.57 To comply with guidance concerning capital schemes and controls issued by the Director of Finance.
- 2.58 To ensure that all capital proposals have undergone a financial appraisal using the model held by the Director of Finance.
- 2.59 To ensure that adequate records are maintained for all capital contracts.
- 2.60 To proceed with projects only when there is adequate provision in the capital programme and with the agreement of the Director of Finance, where required.
- 2.61 To prepare and submit reports, jointly with the Director of Finance, to the Cabinet, of any variation in contract costs greater than the approved limits following approval at the Capital Working Group.

- 2.62 To ensure that credit arrangements, such as leasing agreements, are not entered into without the prior approval of the Director of Finance and, if applicable, approval of the scheme through the Capital Programme.

MAINTENANCE OF RESERVES

Why is this important?

- 2.63 The local authority must decide the level of General Fund reserves it wishes to maintain before it can decide on the level of Council Tax. Reserves are maintained as a matter of prudence. They enable the authority to provide for unexpected events and thereby protect it from overspending, should such events occur. Reserves for specific purposes may also be maintained, such as the purchase or renewal of capital items.

Key Controls

- 2.64 The key controls for the maintenance of reserves are:
- Reserves should be maintained in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom (CIPFA/LASAAC) and agreed accounting policies.
 - For each reserve established, the purpose, usage and basis of transactions should be clearly identified.
 - Expenditure from reserves must be authorised by the appropriate member of the Corporate Leadership Team or Assistant Director in consultation with the Director of Finance.

Responsibilities of the Director of Finance

- 2.65 To advise the Cabinet and/or the Council on prudent levels of reserves for the authority, and to take account of the advice of the external auditor in this matter.

Responsibilities of members of the Corporate Leadership Team

- 2.66 To ensure that resources are used only for the purposes for which they were intended.

APPENDIX C: RISK MANAGEMENT AND CONTROL OF RESOURCES

RISK MANAGEMENT

Why is this important?

- 3.1 Risk Management is the planned and systematic approach to the identification, evaluation and control of risk. Its objectives are to secure the assets of the organisation and to ensure the continued financial and organisational well-being of the organisation.
- 3.2 It is the overall responsibility of the Audit & Risk Committee to approve the authority's Risk Management Strategy, and to promote a culture of risk management awareness throughout the authority.

Key Controls

- 3.3 The key controls for risk management are:
- procedures are in place to identify, assess, prevent or contain material known risks, and these procedures are operating effectively throughout the authority
 - a monitoring process is in place to review regularly the effectiveness of risk reduction strategies and the operation of these controls. The risk management process should be conducted on a continuing basis
 - managers know that they are responsible for managing relevant risks and are provided with relevant information on risk management initiatives
 - provision is made for losses that might result from the risks that remain
 - procedures are in place to investigate claims within required timescales
 - acceptable levels of risk are determined and insured against where appropriate
 - the authority has identified business continuity plans for implementation in the event of disaster that results in significant loss or damage to its resources.

Responsibilities of the Director of Finance

- 3.4 To prepare and promote the authority's Risk Management Strategy.
- 3.5 To develop risk management controls in conjunction with other members of Corporate Leadership Team.
- 3.6 To include all appropriate employees of the authority in a suitable fidelity guarantee insurance.
- 3.7 To effect corporate insurance cover, through external insurance and internal funding, and to negotiate all claims in consultation with other officers, where necessary.

Responsibilities of members of the Corporate Leadership Team

- 3.8 To notify the Director of Finance immediately of any loss, liability or damage that may lead to a claim against the authority, together with any information or explanation required by the Director of Finance or the authority's insurers.
- 3.9 To take responsibility for Risk Management, having regard to advice from the Director of Finance and other specialist officers (e.g. crime prevention, fire prevention, health and safety).
- 3.10 To ensure that there are regular reviews of risk within their service areas.
- 3.11 To notify the Director of Finance promptly of all new risks, properties or vehicles that require insurance and of any alterations affecting existing insurances.
- 3.12 To consult the Director of Finance and the Corporate Director of Governance on the terms of any indemnity that the authority is requested to give.
- 3.13 To ensure that employees, or anyone covered by the authority's insurances, do not admit liability, or make any offer to pay compensation that may prejudice the assessment of liability in respect of any insurance claim.

INTERNAL CONTROLS

Why is this important?

- 3.14 The authority has statutory obligations, and, therefore, requires internal controls to identify, meet and monitor compliance with these obligations.
- 3.15 The authority faces a wide range of financial, administrative and commercial risks, which threaten the achievement of its objectives. Internal controls are also necessary to manage these risks.
- 3.16 The system of internal controls is established in order to provide measurable achievement of:
- efficient and effective operations
 - reliable financial information and reporting
 - compliance with laws and regulations
 - Risk Management.

Key Controls

- 3.17 The key controls and control objectives for internal control systems are:
- internal controls should be reviewed on a regular basis and the authority should make a formal statement annually (the Annual Governance Statement) to the effect that it is satisfied that the systems of internal control are operating effectively
 - managerial control systems should be in place, including defining policies, setting objectives and plans, monitoring financial and other performance and taking appropriate anticipatory and remedial action. The key objective of these

systems is to promote ownership of the control environment by defining roles and responsibilities

- financial and operational control systems and procedures should be confirmed as adequate, which include physical safeguards for assets, segregation of duties, authorisation and approval procedures and information systems
- the Council should have an effective internal audit function that is properly resourced. It should operate in accordance with the principles contained in the UK Public Sector Internal Audit Standards (PSIAS) and Local Government Application Note (LGAN) and with any other statutory obligations and regulations.

Responsibilities of the Director of Finance

- 3.18 To assist the authority to put in place an appropriate control environment and effective internal controls which provide reasonable assurance of effective and efficient operations, financial stewardship, probity and compliance with laws and regulations.

Responsibilities of members of Corporate Leadership Team

- 3.19 To manage processes to check that established controls are being adhered to and to evaluate their effectiveness.
- 3.20 To review existing controls in the light of changes affecting the authority and to establish and implement new ones in line with guidance from the Director of Finance. Members of the Corporate Leadership Team should also be responsible for removing controls that are unnecessary or not cost or risk effective – for example, because of duplication.
- 3.21 To ensure staff have a clear understanding of the consequences of lack of internal control mechanisms.

AUDIT REQUIREMENTS

Why is this important?

- 3.22 The requirement for an internal audit function for local authorities is implied by section 151 of the Local Government Act 1972, which requires that authorities “make arrangements for the proper administration of their financial affairs”. The Accounts and Audit Regulations 2015 (SI 2015/234), regulation 6, more specifically require that a “relevant body must undertake an adequate and effective internal audit of its accounting records and of its system of internal control”.
- 3.23 Accordingly, internal audit is an independent and objective appraisal function established by the authority for reviewing the system of internal control. It examines, evaluates and reports on the adequacy of internal control as a contribution to the proper, economic, efficient and effective use of resources.

Key Controls

- 3.24 The key controls for internal audit are:
- that it is independent in its planning and operation
 - the Head of Internal Audit (or equivalent) has direct access to the Head of Paid Service, Director of Finance, all levels of management and directly to elected members

- the internal auditors comply with the UK Public Sector Internal Audit Standards (PSIAS) and Local Government Application Note (LGAN).

Responsibilities of the Director of Finance

- 3.25 To ensure that internal auditors have the authority to:
- access authority premises at reasonable times
 - access all assets, records, documents, correspondence and control systems
 - receive any information and explanation considered necessary concerning any matter under consideration
 - require any employee of the authority to account for cash, stores or any other authority asset under his or her control
 - access records belonging to third parties, such as contractors, when required
 - directly access the Head of Paid Service, the Cabinet and Audit & Risk Committee.
- 3.26 To review the strategic and annual audit plans prepared by the Head of Internal Audit (or equivalent), which take account of the characteristics and relative risks of the activities involved.

Responsibilities of members of the Corporate Leadership Team

- 3.27 To ensure that internal auditors are given access at all reasonable times to premises, personnel, documents and assets that the auditors consider necessary for the purposes of their work.
- 3.28 To ensure that auditors are provided with any information and explanations that they seek in the course of their work.
- 3.29 To consider and respond promptly to recommendations in audit reports.
- 3.30 To ensure that any agreed actions arising from audit recommendations are carried out in a timely and efficient fashion.
- 3.31 To notify the Director of Finance immediately of any suspected fraud, theft, irregularity, improper use or misappropriation of the authority's property or resources. Pending investigation and reporting, the member of the Corporate Leadership Team should take all necessary steps to prevent further loss and to secure records and documentation against removal or alteration.
- 3.32 To ensure that new systems for maintaining financial records, or records of assets, or changes to such systems, are discussed with and agreed by the Head of Internal Audit prior to implementation.
- 3.33 To ensure that effective procedures are in place to investigate promptly any fraud or irregularity.

EXTERNAL AUDIT

Why is this important?

- 3.34 The Public Sector Audit Appointments Ltd (PSAA) is responsible for appointing external auditors to each local authority. The external auditor has rights of access to all documents and information necessary for audit purposes.

- 3.35 The basic duties of the external auditor are defined in the Local Audit and Accountability Act 2014.
- 3.36 The authority's accounts are scrutinised by external auditors, who must be satisfied that the statement of accounts gives a 'true and fair view' the financial position of the authority and its income and expenditure for the year in question and complies with the legal requirements.

Key Controls

- 3.37 The key controls for external audit are:
- External auditors are appointed by the PSAA normally for a minimum period of five years. This ensures that the local authority is independent from the decision to appoint an external auditor.

Responsibilities of the Director of Finance

- 3.38 To ensure that external auditors are given access at all reasonable times to premises, personnel, documents and assets that the external auditors consider necessary for the purposes of their work.
- 3.39 To ensure there is effective liaison between external and internal audit.
- 3.40 To work with the external auditor and advise the Council, Cabinet and members of the Corporate Leadership Team on their responsibilities in relation to external audit.

Responsibilities of members of Corporate Leadership Team

- 3.41 To ensure that external auditors are given access at all reasonable times to premises, personnel, documents and assets which the external auditors consider necessary for the purposes of their work.
- 3.42 To ensure that all records and systems are up to date and available for inspection.

PREVENTING FRAUD AND CORRUPTION

Why is this important?

- 3.43 The authority will not tolerate fraud and corruption in the administration of its responsibilities, whether from inside or outside the authority.
- 3.44 The authority expects that members and staff at all levels will lead by example in ensuring adherence to legal requirements, rules, procedures and practices. It also expects that individuals and organisations that work with the Council (e.g. suppliers, contractors, service providers) will ensure that their practices do not allow fraud and corruption.

Key Controls

- 3.45 The key controls regarding the prevention of fraud and corruption are that:
- the authority has an effective Anti-Fraud and Anti-Corruption Policy and maintains a culture that will not tolerate fraud or corruption
 - all members and staff act with integrity and lead by example
 - senior managers are required to deal swiftly and firmly with those who defraud or attempt to defraud the authority or who are corrupt
 - high standards of conduct are promoted amongst members by the Standards and Resources Committee

- the maintenance of a register of interests in which any hospitality or gifts accepted must be recorded
- whistle blowing procedures are in place and operate effectively
- legislation including the Public Interest Disclosure Act 1998 is adhered to.

Responsibilities of the Director of Finance

- 3.46 To maintain adequate and effective internal control arrangements.
- 3.47 To ensure that all suspected irregularities are reported to the chief internal auditor, the Head of Paid Service, the Cabinet and the Audit & Risk Committee.

Responsibilities of members of the Corporate Leadership Team

- 3.48 To ensure that all suspected irregularities are reported to the Head of Internal Audit (or equivalent).
- 3.49 To instigate the authority's disciplinary procedures where the outcome of an audit investigation indicates improper behaviour.
- 3.50 To ensure that where financial impropriety is discovered, the Director of Finance is informed, and where sufficient evidence exists to believe that a criminal offence may have been committed, the police are called in to determine with the Crown Prosecution Service whether any prosecution will take place.
- 3.51 To ensure that any interests are entered into the Council's register of interests.
- 3.52 To develop and maintain an Anti-Fraud and Corruption Policy, Whistleblowing Policy and Anti-Money Laundering Policy.

ASSETS

SECURITY

Why is this important?

- 3.53 It is important that assets are safeguarded and used efficiently in service delivery, and that there are arrangements for the security of both assets and information required for service operations. An up-to-date asset register is essential for proper fixed asset accounting and sound asset management.

Key Controls

- 3.54 The key controls for the security of resources such as land, buildings, fixed plant machinery, equipment, software and information are:
- resources are used only for the purposes of the authority and are properly accounted for
 - resources are available for use when required
 - resources no longer required are disposed of in accordance with the law and the procedure rules of the authority so as to maximise benefits
 - an asset register is maintained for the authority, assets are recorded when they are acquired by the authority and this record is updated as changes occur with respect to the location and condition of the asset
 - all staff are aware of their responsibilities with regard to safeguarding the authority's assets and information, including the requirements of the Data Protection Act and software copyright legislation

- all staff are aware of their responsibilities with regard to safeguarding the security of the authority's computer systems, including maintaining restricted access to the information held on them and compliance with the authority's computer and internet security policies.

Responsibilities of the Director of Finance

- 3.55 To ensure that an asset register is maintained in accordance with good practice for all fixed assets with a value in excess of £10,000 (equipment) and £25,000 (land and property). The function of the asset register is to provide the authority with information about fixed assets so that they are safeguarded, used efficiently and effectively and adequately maintained.
- 3.56 To receive the information about assets required for accounting, costing and financial records from each member of the Corporate Leadership Team.
- 3.57 To ensure that assets are valued in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom (CIPFA/LASAAC).

Responsibilities of members of the Corporate Leadership Team

- 3.58 To ensure that lessees and other prospective occupiers of council land are not allowed to take possession or enter the land until a lease or agreement, in a form approved by the member of the Corporate Leadership Team in consultation with the Director of Finance, has been established as appropriate.
- 3.59 To ensure the proper security of all buildings and other assets under their control.
- 3.60 Where land or buildings are surplus to requirements, a report should be presented to CLT and subsequently Asset Scrutiny Panel to gain approval for sale/disposal.

- 3.62 To ensure that no authority asset is subject to personal use by an employee without proper authority.
- 3.63 To ensure the safe custody of vehicles, equipment, furniture, stock, stores and other property belonging to the authority.

- 3.69 To ensure that all employees are aware that they have a personal responsibility with regard to the protection and confidentiality of information, whether held in manual or computerised records. Information may be sensitive or privileged, or may possess some intrinsic value, and its disclosure or loss could result in a cost to the authority in some way.
- 3.70 To carry out an annual check of all items on the inventory in order to verify location, review, condition and to take action in relation to surpluses or deficiencies, annotating the inventory accordingly. Attractive and portable items such as computers, cameras and video recorders should be identified with security markings as belonging to the authority.
- 3.71 To make sure that property is only used in the course of the authority's business, unless the member of the Corporate Leadership Team concerned has given permission otherwise.

In relevant service areas:

- 3.72 To make arrangements for the care and custody of stocks and stores in the service area.
- 3.73 To ensure stocks are maintained at reasonable levels and are subject to a regular independent physical check. All significant discrepancies should be investigated and pursued to a satisfactory conclusion.
- 3.74 To investigate and remove from the authority's records (i.e. write off) discrepancies as necessary, or to obtain Cabinet approval if they are in excess of a predetermined limit.
- 3.75 To authorise or write off disposal of redundant stocks and equipment. Procedures for disposal of such stocks and equipment should be by competitive quotations or auction, unless, following consultation with the Director of Finance, the Cabinet decides otherwise in a particular case.

ASSET DISPOSAL

Why is this important?

- 3.76 Obsolete, non-repairable or unnecessary assets should be disposed of in accordance with the law and the procedure rules of the authority.

Key Controls

- 3.77 The key controls regarding asset disposal are:
- assets for disposal are identified and are disposed of at the most appropriate time, and only when it is in the best interests of the authority
 - best price is obtained, bearing in mind other factors, such as environmental issues.

- 3.79 To ensure appropriate accounting entries are made to remove the value of disposed assets from the authority's records and to include the sale proceeds if appropriate.

Responsibilities of members of the Corporate Leadership Team

- 3.80 To ensure that income received for the disposal of an asset is properly banked and coded.

TREASURY MANAGEMENT

Why is this important?

- 3.81 Treasury Management aims to ensure that the authority's money is properly managed in a way that balances risk with return, but with the overriding consideration being given to the security of the authority's capital sum.

Key Controls

- 3.82 The key controls around Treasury Management are:
- That the authority's borrowings and investments comply with the CIPFA Code of Practice on Treasury Management and with the authority's Treasury Policy Statement.

- 3.89 To act as the authority's registrar of stocks, bonds and mortgages and to maintain records of all borrowing of money by the authority.
- 3.90 To ensure that no Teams within the authority hold imprest accounts in the form of cash. Payment by purchasing card is now the appropriate method of acquiring low value goods that do not require purchase orders to be raised. It can also be a method of acquiring services where payment is required ahead of delivery (can include for example conference/hotel bookings, train travel).

- 3.91 To ensure a list is maintained of all purchasing cards that have been issued to staff alongside their requisite limits, both in terms of value and permitted items that may be purchased.

Responsibilities of members of the Corporate Leadership Team

- 3.92 To follow any guidance on banking and Treasury Management issued by the Director of Finance.

 - Surrender their card immediately on termination of employment or if transferred to another role that does not require a Purchasing Card.
 - Ensure that the Purchasing Card is never used to make purchases of a personal nature.

STAFFING

Why is this important?

- 3.98 In order to provide the highest level of service, it is crucial that the authority recruits and retains high calibre, knowledgeable staff, qualified to an appropriate level.

Key Controls

INCOME AND EXPENDITURE

INCOME

Why is this important?

- 4.25 Cash and debtors can be vulnerable assets and effective income collection systems are necessary to ensure that all income due is identified, collected, receipted and banked properly.

Key Controls

- 4.26 The key controls for income are:
- All income due to the authority is identified and invoiced for correctly.
 - Income is collected from the correct person/ organisation in accordance with the agreed terms and conditions. The debt collection procedures detailed in the approved Debt Recovery Policy shall apply in the event of any arrears.
 - Wherever practical, Direct Debit shall be the preferred method for collection of periodic invoices. Exceptions (and the reasons for) shall be recorded.
 - Where the Council's services are procured by an outside organisation, a Purchase Order number shall be obtained from that organisation ahead of the service or goods being delivered. This Purchase Order will then be quoted on the subsequently raised invoice. Invoices that do not have a Purchase Order quoted will not be paid.
 - With the exception of buildings with regular cash collection arrangements (currently Leisure Centres and Baggesbury Country Park) all other Council Offices shall not transact for Council Services using cash unless this is a statutory requirement.
 - In the event that any unexpected cash balances are received in Council Offices then two officers shall be responsible for agreeing the value of the cash and securing it on the Council premises (in a lockable cupboard if no other secure location is available). Arrangements will then be made for the monies to be banked e.g. with a cash collection company. Under no circumstances will Council officers be expected to physically carry cash balances off premises to be banked.

- All appropriate income documents are retained and stored for the defined period in accordance with the document retention schedule.
- Money collected and deposited is reconciled to the bank account by a person not involved in the collection or banking process.
- Once raised, no bona fide debt may be cancelled, except by full payment or by its formal writing off. A credit note to replace a debt can only be issued to correct a factual inaccuracy or administrative error in the calculation and/or billing of the original debt.
- Corporate Leadership Team will be informed on a quarterly basis of the total level of outstanding debt due to the authority alongside an aged analysis of this debt.

Responsibilities of the Director of Finance

- 4.27 To agree arrangements for the collection of all income due to the authority and to approve the procedures, systems and documentation for its collection.

ORDERING & PAYING FOR WORK, GOODS AND SERVICES

Why is this important?

- 4.41 Authorities have a statutory duty to achieve best value in part through economy and efficiency. The authority's procedures should help to ensure that services obtain value for money from their purchasing arrangements. Regard shall be had to the Council's Contract Procedure Rules. These procedures should be read in conjunction with the authority's Contract Procedure Rules on tenders and contracts.
- 4.42 Every officer and member of the authority has a responsibility to declare any links or personal interests that they may have with purchasers, suppliers and/or contractors if they are engaged in contractual or purchasing decisions on behalf of the authority, in accordance with appropriate codes of conduct.

Key Controls

- 4.43 The key controls for ordering and paying for work, goods and services are:
 - official orders must be in a form approved by the Director of Finance.

- official orders must be issued for all work, goods or services to be supplied to the authority, except for supplies of utilities, stationery ordered over the internet in line with the contract for such, purchases made in accordance with the purchasing card scheme, periodic payments such as rent or rates, or other exceptions specified by the Director of Finance.
- each order must conform to the guidelines approved by the Council on central purchasing and the standardisation of supplies and materials. Standard terms and conditions must not be varied without the prior approval of the Director of Finance.

- all payments are made to the correct person, for the correct amount and are properly recorded, regardless of the payment method
- all appropriate evidence of the transaction and payment documents are retained and stored for the defined period, in accordance with the document retention schedule
- all expenditure, including VAT, is accurately recorded against the right budget and any exceptions are corrected

Responsibilities of the Director of Finance

- 4.44 To approve the form of official orders and associated terms and conditions.
- 4.45 To make payments from the authority's funds on the member of the Corporate Leadership Team's authorisation that the expenditure has been duly incurred in accordance with financial procedure rules.

4.48 To provide advice on making payments by the most economical means.

Responsibilities of members of the Corporate Leadership Team

4.49 To ensure that unique official orders are used for all goods and services, other than the exceptions specified in 4.41.

4.50 To ensure that orders are only used for goods and services provided to the service area. Individuals must not use official orders to obtain goods or services for their private use.

4.51 To ensure that only those staff authorised by him or her place orders and to maintain an up-to-date list of such authorised staff. The authoriser of the order should be satisfied that the goods and services ordered are appropriate and needed, that there is adequate budgetary provision and that quotations or tenders have been obtained if necessary. Value for money should always be achieved.

4.52 To ensure that goods and services are checked on receipt to verify that they are in accordance with the order. This check should, where possible, be carried out by a different officer from the person who authorised the order. Appropriate entries should then be made in inventories or stores records.

4.53 To ensure that payment is not made unless a proper VAT invoice has been received, checked, coded and certified for payment, confirming:

- receipt of goods or services
- that the invoice has not previously been paid
- that expenditure has been properly incurred and is within budget provision
- that prices and arithmetic are correct and accord with quotations, tenders, contracts or catalogue prices

- 4.62 To ensure that all appropriate payment records are retained and stored for the defined period, in accordance with the document retention schedule.

PAYMENTS TO EMPLOYEES AND MEMBERS

Why is this important?

- 4.63 Staff costs are the largest item of expenditure for most authorities. It is therefore important that payments are accurate, timely, made only where they are due for services to the authority and that payments accord with individuals' conditions of employment. It is also important that all payments are accurately and completely recorded and accounted for and that Members' allowances are authorised in accordance with the scheme adopted by the Council.

Key Controls

- 4.64 The key controls for payments to employees and members are:
 - proper authorisation procedures are in place and that there is adherence to corporate timetables in relation to:

 - payments are only made where there is a valid entitlement
 - conditions and contracts of employment are correctly applied
 - employees' names listed on the payroll are checked at regular intervals to verify accuracy and completeness.
- 4.74 To ensure that payroll transactions are processed only through the payroll system. Members of the Corporate Leadership Team should consider the employment status of individuals employed on a self-employed consultant or subcontract basis. The HM Revenue and Customs applies a strict definition for

employee status, and in cases of doubt, advice should be sought from the Assistant Director – Organisation and People Development.

- 4.75 To certify travel and subsistence claims and other allowances. Certification is taken to mean that journeys were authorised and expenses properly and necessarily incurred, and that allowances are properly payable by the authority, ensuring that cost-effective use of travel arrangements is achieved. Due consideration should be given to tax implications and that the Director of Finance is informed where appropriate.
- 4.76 To ensure that the Director of Finance is notified of the details of any employee benefits in kind, to enable full and complete reporting within the income tax self-assessment system.

TAXATION

Key Controls

- 4.80 The key controls for taxation are:
- budget managers are provided with relevant information and kept up to date on tax issues
 - budget managers are instructed on required record keeping

Tendering means a formal procedure for getting written offers (tenders) for supply.

Terms and Conditions means the Council's standard templates or model sets of legal terms and conditions (as may be amended from time to time) and/or any industry-standard forms of contract documents and securities.

Third sector means non-governmental organisations that are driven by value and which mainly reinvest any profit to further social, environmental or cultural aims. The sector includes voluntary and community organisations, charities, social enterprises, faith groups, housing associations and co-operatives and mutuals.

Transparency Code means the Local Government Transparency Code, issued in 2015, which mandates the Council to publish various spend data, and in particular specific procurement-related information.

Value for money is not the lowest price but the best combination of whole-life costs and quality to meet users' needs. Officers should always assess value for money over the whole life of the contract and Officers should consider all costs and benefits to society as a whole including the environmental and social benefits and costs, not just those directly relevant to us.

Variant Bid is a tender which technically meets the Specification but delivers the solution by a different means from that specifically requested by the Contracting Authority in the Tender.

Works is the subject matter of a Contract which is ordinarily property construction and civil engineering-related. A list of defined Works categories is shown in Schedule 2 of the Public Contracts Regulations. The Council may also treat 'Works' as an agreement where a developer constructs a building on their own land (according to Council needs) and then transfers the land and structure to the Council at a later date. Refer these projects to a Legal Advisor or Procurement Advisor in the first instance as soon as possible. It is essential that a standard form of contract is put in place to protect the Council. Regard should be had for the requirement for any securities such as guarantees or bonds.

A Introduction

- A1 These Contract Procedure Rules (CPRs) are part of the Council's Constitution and are the procedural rules for procurements for the Council. There are circumstances where these CPRs do not apply (see A6 Exemptions). In addition, the Council's relevant Financial Regulations must also be met.
- A2 The Council explain the difference between Supplies, Works and Services (Services) in the Definitions contained at the start of these CPRs.
- A3 The CPRs apply to any contract that results in the Council making a payment and contracts where Services are being provided for the Council which results in some income being generated for the Council.
- A4 The CPRs also apply if the Council are acting as the lead organisation in partnership or other joint arrangement.
- A5 The CPRs do not cover grants which the Council may receive or make (unless the grant is part of a contract for Services) – see section B.
- A6 Exemptions are where CPRs do not apply to:
- buying items or Services from within the Council;
 - contracts of employment;
 - Contract for Barristers/Solicitors to represent and/or advise the Council;
 - Contracts for specialist HR consultancy and training services (not including high value contracts);
 - contracts relating to interest in land (also known as property);
 - contracts for treasury management purposes “or in the course of treasury management activities”;
 - contracts relating to selling or otherwise disposing of our assets;
 - Grants which the Council may receive or make (unless the grant is part of a Contract for Services or mandates that these Rules are to be followed).
- A7 If you are in any doubt about whether the CPRs apply, you must always check with any guidance issued by the Director of Finance.
- A8 The Council's 'best value duty' is very important. It means that the Council must always consider how each procurement or contract meets the Council's duty to secure continuous improvement in what the Council does after taking account of economy, efficiency, effectiveness and outcomes. **As a result, the**

Council need to question whether the Council should be buying anything at all and, if the Council does, whether the Council can buy it best ourselves or jointly, or if the Council should rely on someone else to get better value.

- A9 Legislation on procurement requires that the Council must allow, and be seen to be allowing, freedom of opportunity to trade and to be open and clear about how the Council do things.
- A10 If the Council fails in this duty, a provider may make a complaint against the Council which could result in them claiming damages and even suspension of the contract.
- A11 The most important principles are being clear, open, transparent and providing fair competition. Whenever the Council are buying Services for the Council, the Council must always act to promote competition and to achieve value for money. However, the Council must also ensure that the Council try and be innovative in the ways in which the Council procure Services.
- A12 The CPRs have four main aims:
- keep to the obligations that govern spending public money, such as the Procurement Act 2023 and record those obligations and decisions;
 - get best value in the way the Council spend money, so that the Council may in turn offer better and more cost-effective Services to the public;
 - help decisions to be made by the right people at the right level in the council and record those decisions; and
 - to provide transparency and protect Officers following the CPRs.
- A13 When an Officer is procuring for the Council, the Officer must consider the importance and effect of the Council's Policies on any procurement process and outcome.
- A14 With regard to below Public Contracts Regulations contracts these CPRs may be suspended (Waivered) in accordance with section U.
- A15 The CPRs are **automatically complied with** if the Council is entering into a framework agreement negotiated by another public organisation, or the Council is procuring jointly with one or more public organisations following the procurement processes of another public organisation, or any of the other situations covered in section U.
- A16 These CPRs apply to all contracts for Services for the Council or which the Council provide Services (other than those stated above) or the Officer has a Waiver under sections U.
- A17 Officers throughout the procurement must consider all other Council policies which could apply to the procurement project, e.g. The Council Plan, the

Council's Financial Regulations, Business Plans, Delivery Plans, etc. and legislative requirements such as (but not limited to) social value and equalities.

- A18 **These CPRs must be followed by Officers and breach of them is potentially a matter for disciplinary action.**

B Grants & Contracts

Key Differences between Grants & Contracts

- B1 Contracts – the essential elements of a contract are that there is a mutual bargain with consideration paid. A contract contains reciprocal obligations and the payment may be subject to VAT, depending on the service being supplied. Generally, all contracts are subject to PCR 2015 to some degree whereas a grant is not.
- B2 Grants - the grant funder is subsidising a Service it considers necessary, but which the grant recipient does not otherwise have the resources to deliver on a self-sustaining basis.

The essential elements of a grant are that the funds must be freely given, and the donor receives nothing in return. Unless the grant agreement is a Deed, there is no obligation to pay and a grant is also outside the scope of VAT.

- B3 The “grey area” between Grants and Contracts - restricted grants and contracts for Services can sometimes operate in a similar way.

For example, a local authority could give a grant to a childcare organisation to enable it to provide a certain number of subsidised places. Alternatively, the local authority could contract with the childcare organisation to purchase a certain number of childcare places on behalf of service users. To avoid any doubt, it is important to make it clear whether the arrangement is a grant or a contract and that the drafting does not include any ambiguous language.

- B4. Appropriate Agreement - once it has been decided whether the payment is a grant or for contracted Services, careful drafting of the Agreement is important.

For example, invoices are raised under a contract, but a grant is usually ‘claimed’ or ‘drawn down’. “Clawback” provisions are used in the drafting of a Grant Agreement to enable funders to reclaim funding if the terms of a grant are not complied with.

With a contract, there should be no mention of clawback as the funder’s remedy for any breach is to sue for damages. If in any doubt Officers should seek the guidance of the Section 151 Officer and Officers will be provided with an appropriate Agreement.

- B5. Officers shall comply with the Subsidy Controls requirements and the key principles and follow the BEIS Guidance. In particular, Officers need to record and set out grants in Council policy documents.

C Preparation

Conflicts of Interests and Declarations of Interest

- C1 If an Officer is involved in the procurement process or managing contracts, the Officer must declare any actual, potential or perceived possible conflict of interest to the Officers manager and the Monitoring Officer. Conflict of interest occurs when in the execution of official duties as Officers of the Council Officers may find themselves in a position to be influenced or appear to be influenced by a private or personal interest that could lead to trying to gain a personal advantage or to avoid a personal disadvantage. The golden rule is, if in doubt; declare it.
- C2 Every Officer who takes any decision or has any influence about a contract must comply with the Council's Code of Conduct for Employees.
- C3 Every Officer who has a financial interest/Key Influencer in a procurement or contract must contact the Monitoring Officer forthwith in writing. The Monitoring Officer under Section 117 of the Local Government Act 1972 will maintain a record of all Declarations of Interest.
- C4 Any Officer **must** inform the Monitoring Officer if the Officer dealing with a contract for the Council has been offered a gift or hospitality. The Officer can get more advice and guidance on the Core (the Councils intranet) in relation to Gifts and hospitality.

The Competitive Process

- C5 Legislation states that the Council **must** always make sure that the Council is offering the opportunity to provide Services to the whole market to make sure there is fair competition.
- C6 If the contract is a High Value (in other words, with a value of more than £30,000), the Officer **must** follow the section on High Value procurements.
- C7 The value of a contract means the estimated total value over the length of time it will apply, including any extension options (**not the yearly value**), before VAT.
- If the contract is for buying a single item, which is not related to buying other items, the contract is worth the price, or estimated price, referred to in that contract.
 - If the contract is for buying a related group of items, the contract is worth the total price, or estimated total price, of the group.
 - An Officer should not split contracts to avoid the values (Disaggregation), either by item or length

Who can procure Services?

- C8 Extended Leadership Team members should make sure that any buying is carried out by a Procurement Lead who can prove they have the skills and knowledge appropriate for buying the Services. .
- C9 Each Extended Leadership Team member **must** make sure that the Council does not go over the limits in the Scheme of Delegation.
- C10 Before starting a procurement process, the Procurement Lead should cover the following points in their Council Sourcing Strategy: -
- **Do the Council need to spend the money?** Is there a clear business need, supported by appropriate evidence and a budget in place?
 - **What is important to the council in this procurement?** Do you just need the Services? Or are there other things you want to bring about (for example, improved environmental performance, new jobs) or added social value. It is important that the Council consider whether the Council can obtain social value through the contract that is improving the social, environmental or economic wellbeing of our area (by virtue of the Public Services (Social Value) Act 2012. This allows those procuring to achieve broader aims but **must** consider any guidance issued by the Director of Finance
 - **Can you procure what you need with another council or public authority?** If an Officer considers that the Council could save money or achieve other advantages if the Council procured with someone else, consider whether there is an existing framework arrangement or contract you can use. This framework or contract could be one already set up by another council or joint-purchasing organisation or run centrally by the Government (such as the Government Procurement Service).
 - **Can the Council use a purchasing consortium?** Is there some kind of recognised purchasing group in place (often referred to as a buying consortium) where the Council can use the purchasing arrangements to buy Supplies or Services? If there is a group in place, Officers do not have to keep to these CPRs. However, the Council can only procure the Supplies or Services that are covered by the group arrangements. Officers should seek advice from Legal/Procurement advisors prior to any joining of the arrangements. In particular, with regard to the scope of the tendering documentation and the provisions of the entire contract documentation relating to the arrangement.

Employment Issues with TUPE (Transfer of Undertaking Protection of Employment Regulations) and Pension Arrangements

- C11 Entering into new contractual arrangements or changing existing contractual arrangements can give rise to TUPE implications. It is not always obvious that there are TUPE implications (for example, when a contract with another supplier comes to an end and is to be put out to tender again). So, **if in any**

doubt, the Procurement Lead **must get the** advice of Human Resources to make sure that any relevant TUPE arrangements are in place.

- C12 Where it has been decided that Services should be bought from an external source, the Council **must** consider the effects this may have on the existing in-house team and the possibility of staff transferring to the new provider under TUPE.
- C13 These contracts **must** contain appropriate wording and indemnities to ensure that the Council's position is protected.
- C14 TUPE situations will almost always give rise to pensions arrangements. The Council's Human Resources, Legal and Pension's advisors should be consulted at the earliest opportunity.

Governance

- C15 For contracts above the Public Contracts/Concessions Regulations Threshold an Extended Leadership Team Member must get further relevant approval from the relevant Cabinet Member before a contract is to be awarded. Evidence of this approval must be retained by the Extended Leadership Team member.
- C16 The Extended Leadership Team Member **must** consider if Cabinet Members should be involved in decisions during the tender process on contracts above the Public Contracts/Concessions Regulations thresholds, for example by deciding on the conditions for awarding the contract.

Collaborative Procurement

- C17 Where the Council takes the lead procurement role in a Collaborative Procurement, these CPRs will apply to each procurement process carried out under the collaborative arrangement.
- C18 Where another public sector organisation takes the lead procurement role, its contract standing orders, or equivalent, will apply.
- C19 Where the Council enters into formal joint buying or consortia purchasing arrangements, the related Contract and procurement strategy must protect the Council to a level proportionate to the risk involved, whilst at the same time providing the basis for a partnering approach and delivery of best value / value for money.
- C20 A Procurement Advisor must be consulted prior to agreeing to enter into collaborative procurements.

Other

- C21 An Extended Leadership Team Member will not, without approval from the Section 151 Officer, enter into a contract for supplying Services under any operating lease, hire, rental or any other credit arrangements.

- C22 Extended Leadership Team members must make sure all contracts are completed and stored and related procurement records and reports are kept, so they can be inspected, for a minimum period of 6 years up to a period as outlined in the corporate records retention arrangements. This includes Waivers to these Rules and using any delegated powers. Any deeds need to be stored for 12 years.
- C23 Any Consultant who is responsible to the Council for satisfying contract and procurement procedures must comply with the Council's CPRs.
- C24 Any Consultant must ensure that any conflicts of interest are managed and appropriately recorded.

D Specification Requirements

- D1 The Procurement Lead **must** clearly and carefully specify the Services to be supplied in writing, the agreed programme for delivery and the terms for payment together with all other terms and conditions. The Procurement Lead also needs to make sure that the Council will have the funds in the budget to pay for them.
- D2 When identifying and defining the need, the Procurement Lead should make sure they have involved a wider range of organisations relevant to the Supplies, Works or Services to be supplied. By knowing the market and encouraging a wider supply base, you have more chance to find the right providers and achieve the right Services at the right price.

E Sourcing Strategy

- E1 For all High Value contracts and those valued above the Public Contracts / Concessions Regulations threshold a formal Sourcing Strategy will be required. For other values the process for procurement will be recorded in writing locally by the Procurement Lead.
- E2 The Procurement Lead **must** decide on the strategy for buying the Services which must be approved prior to commencing any procurement process.
- E3 For all High Value contracts and those valued above the Public Contracts / Concessions Regulations threshold, approval of the proposed Sourcing Strategy is required by the Section 151 Officer.
- E4 For all Low and Intermediate contracts the decision and options for the procurement must be recorded locally by the Procurement Lead.
- E5 The Procurement Lead **must** consider options for delivering Services. The options below are in the specific order: -
- Not buying the Supplies, having the Works done or receiving the Services at all;
 - By securing the provision of the Works, Supplies or Services in-house;

- Via co-operative working under Local Government Regulations to provide the ongoing Works, Supplies or Services (e.g. using the voluntary sector or via another Local Authority);
 - By providing the Works, Supplies or Services via an existing Council Framework Agreement, Dynamic Purchasing System, Contract or similar arrangement;
 - By providing the Works, Supplies or Services from an already pre-procured Framework Agreement or Dynamic Purchasing System or Contract provided by an external public sector body or from a Central Purchasing Body;
 - By outsourcing/buying the provision of the Works, Supplies or Services through collaborative procurement with another local authority/partner, to/from an external provider on the open market by establishing a cooperative arrangement;
 - By outsourcing/buying (via quotes or tenders) the Works, Supplies or Services to/from an external provider on the open market by establishing a bespoke Council Contract.
- E6 For High Value procurements, where the particular needs justify another procurement route from E5, written approval from the relevant Director, Section 151 Officer will be required.
- E7 It is important that Officers appraise the risk, value, provider activity, market pressures and all internal and external influencing forces associated with their procurement. Value may not always be proportional to risk. Consult a Procurement Advisor if in any doubt.
- E8 Early-on in the process it is important to agree whether a procurement project is considered as a Council Cabinet Key Decision, and therefore appropriate timely action sought where it does meet the criteria.
- E9 Whenever Officers buy Works, Supplies or Services for the Council, they must always act to promote competition and to achieve value for money.

F How the Council Buy What the Council Need

Framework agreements (e.g. from Crown Commercial Services, ESPO, YPO etc)

- F1 Framework Agreements are agreements that allow Officers to place orders with selected providers on pre-agreed terms.

Joining another Contracting Authority's Existing Framework Agreement

- F2 Where the Council seeks to join an existing Framework Agreement then a due diligence exercise should be undertaken to ensure that the Framework Agreement was properly procured in accordance with the relevant legislation and ensure that the Council can access the Framework Agreement under the terms it was originally advertised with.

- F3 A Procurement Advisor must be consulted before buying from a Framework Agreement that has been procured by another Contracting Authority.
- F4 Officers are required to follow the instructions issued by the 3rd party Contracting Authority when procuring from this type of Framework Agreement. In doing so, Officers will be required to use different legal terms etc. There is no requirement to log any Waivers to these CPRs as a result of this. However, these CPRs are to be used where the price/quality evaluation criteria have not been expressly stated / left open.

Setting-up a Framework Agreement

- F5 If Officers decide that they (or their partners) are likely to need to buy the Works, Supplies or Services repetitively in the future but are unsure of exact quantities, it may be that the best way to buy them is by initially setting up a Council Framework Agreement.
- F6 Should a Framework Agreement need to be procured consult a Procurement Advisor. Refer to the Procurement Tool Kit for a description of a Framework Agreement.
- F7 Prior to using a third-party framework seek advice from the Council's Procurement Advisors.

The Procurement Toolkit

- F8 The Procurement Tool Kit is an agreed set of standard documentation which is to be used for the preparation of a procurement for all Contract spends below those of the Public Contracts / Concessions Regulations Thresholds.
- F9 It is mandatory to use the Procurement Tool Kit for Council procurements. Any exception from this must be agreed in advance by the Section 151 Officer.
- F10 The standard documents that comprise the Procurement Tool Kit are to be tailored where indicated only. Officers must seek a Procurement Advisor's agreement regarding any other changes to the documents.

Contracts Finder / Advertising

- F11 Public adverts and award notices must be issued on the Government's Contracts Finder website for all tenders which are High Value and above Public Contracts / Concessions Regulations Thresholds
- F12 It is a requirement of these CPRs that any High Value contracts and contracts above the Public Contracts / Concessions Regulations Thresholds are advertised on the Council's Website, unless a Corporate Director agrees otherwise.

High-Value Contracts

- F13 For High value contracts the Procurement Lead shall use the Procurement Toolkit suite of documents to perform a tender to the full public market. This process will also require the use of Contracts Finder.

Intermediate-Value Contracts

- F14 For Intermediate Value contracts, the Procurement Lead **must** seek at least three written quotations or complete a tendering process before a Purchase Order is issued.
- F15 The quotations must contain the Council's standard and/or industry terms and conditions of contract, agreed pricing and Specification.

Low-Value Contracts

- F16 For Low Value contracts, at least one quote must be obtained before the Services can be purchased.

Electronic Procurement and Emailed Quotations

- F17 For High Value contracts or above the Council mandates the use of an electronic procurement (or e-procurement) system. Refer to a Procurement Advisor.

G The Public Contracts Regulations 2015

- G1 Contact the Council's Procurement Advisors and the Council's Legal Advisers when inviting tenders for contracts over the Public Contracts / Concessions Regulations Thresholds.
- G2 There are a number of new notices that are required to be published as part of any High Value Procurements under the new Procurement Act 2023. This includes Pre MarketPre-Market Engagement Notice.
- G3 Consult with the Council's Procurement Officer prior to taking out any type of pre-market engagement. Engaging with the market prior to commencing a formal procurement should be encouraged, providing this is done in a legally compliant way. It can help to save time and cost when running the formal procurement and contribute to achieving the optimum procurement outcome. The Procurement Act 2023 sets out the following purposes of preliminary market engagement which would be useful to highlight in addition to any others that the local authority considers prudent to include:
- Develop the local authority's requirements and approach to the procurement.
 - Design a procedure, conditions of participation or award criteria.
 - Prepare the tender notice and associated tender documents.
 - Identify suppliers that may be able to supply the goods, services or works required.
 - Identify likely contractual terms

-

Build capacity among suppliers in relation to the contract being awarded

Consideration should be given to the steps that should be taken to ensure suppliers are not put at an unfair disadvantage and competition for the contract is not distorted. SSDC will also need to comply with the requirements to publish a preliminary market engagement notice in respect of any market engagement they plan to conduct or have conducted in advance of a procurement.

G4 The use of any provisions within the Procurement Act 2023 must be approved at an early stage by a Legal Adviser and a Procurement Adviser. This includes key sections related to possible exempted contracts, direct awards, and contract modifications, such as Sections 12, 41, and 74-77.

H Disaggregation of Spend

H1 **Never** deliberately split down the value of contracts.

H2 Wherever possible, the Council should make purchases in the form of a single large contract rather than a series of smaller contracts.

H3 Always add together the value of the separate contracts of the same type over a short period to decide whether the value of the contract falls within the limits.

I Sustainable Procurement (Ethical, Social & Environmental Value)

Ethical Procurement

- I1 Consideration must be given to modern day slavery and equal opportunities as a minimum when conducting procurement process and managing any contract.

- Whether any consultation with the local community is necessary to establish how the contract being procured may improve the economic, social and environmental well-being of the area.

- L2 All provider tender responses must be stored securely by the Procurement Lead to ensure compliance with GDPR and commercial confidentiality.
- L3 The Council will not accept a late tender submission but reserves the right to clarify responses with suppliers in accordance with good procurement practice and statutory provisions/guidance.
- L4 For Low value and Intermediate value contracts, quotations shall be requested and received by the Council email system.
- L5 Electronic quotations must:
- be received by a Council email address; and
 - have a date/ time of submission communicated to the recipients.
- L6 All High Value tenders must be conducted via the Council's nominated electronic tendering system. All systems must, as a minimum, conform to the requirements stated in the Procurement Act 2023. Approval is required from a Procurement Advisor to use an alternative electronic tendering system.
- L7 Unless otherwise agreed by a Procurement Advisor, all electronic tendering for High Value contracts will be performed by a Procurement Advisor who will manage the posting of the tender documents and notices and manage the resulting clarifications. Officers shall prepare their tender in accordance with these Rules and the Procurement Tool Kit.
- L8 Unless otherwise agreed by a Procurement Advisor, all electronic tendering for Public Contracts/Concessions Regulations contracts will be performed by a Procurement Advisor.

M Evaluating Submissions

- M1 Low and Intermediate value contracts will have its evaluation based on 100% of the quotation price.

- M2 The Procurement Lead with the approval of an Extended Leadership Team Member will consider whether the Low and Intermediate contracts require the evaluation criteria to be based on the Most Economically Advantageous Tender (MEAT).
- M3 For High Value contracts, the contract shall be awarded as detailed in the Sourcing Strategy and identifying the MEAT.
- M4 Evaluation involves scoring tenders fairly by appropriate Officers as detailed in the Tender Documentation and advice from the Procurement Advisors.

N Awarding Contracts

N1 When awarding a public contract following a competitive procedure, officers are required to provide an 'assessment summary' to each supplier that submitted a tender, publish a contract award notice (please see annex 2 for list of notices), and run a mandatory 8 day standstill period before entering the public contract. Please note the standstill period only applied to above threshold contracts as listed in the table above 'Procurement Values'.

- N2 The Procurement Lead **must** record in writing the results of the tender-evaluation process and the decision to award a contract.
- N3 For Low value contract awards Officers must obtain the approval from the appropriate Team Manager or Officers with the appropriate delegated authority under the Council's scheme of delegation for procurement before they can formally be awarded.

- materially modifying a Contract; or
- serving a default notice

T2 For all modifications to contracts officers will need to refer to both the PCR 2015 and the Procurement Act 2023. All contracts procured under the PCR 2015 (and preceding rules) will be governed by

Regulation 72, PCR 2015 where the need for a modification rises.

The new provisions in the Procurement Act 2023 on making contract modifications will also need to be referenced including the obligation to publish a contract change notice and, for public contract with a value over £5 million, publish the contract as modified. Modification notices are only required for those contracts over Government Threshold.

U Waiver from the Contract Procedure Rules

- U1 Waivers are where these CPRs, in whole or in part, are not followed as presented, unless otherwise indicated. The Council may grant a Waiver under the limited conditions set out below. The Council cannot grant a Waiver if to do so would mean breaking any laws on public procurement or other relevant legislation.
- U2 All applications for Waivers will need to be detailed using the Council's online Waiver Form found on the Council's intranet. Waivers submitted in formats, other than online, will only be accepted with the agreement of the Monitoring Officer.
- U2 Any Works, Supplies or Services Contract or process declared to be Waivered from these CPRs must be authorised, in writing, as follows: -
- by a Procurement Advisor;
 - by the Monitoring Officer;
 - by the Section 151 Officer.
- U3 A Register of waivers will be kept on the Procurement Portal SharePoint site
- U4 **Not used**
- U5 It is the responsibility of the Requesting Officer of the Waiver to ensure that it is reviewed and remains valid. The Requesting Officer is to seek further approvals where necessary.
- U6 The Council may grant a Waiver in the following circumstances: -
- If there is an unexpected emergency involving danger to life or health or serious damage to property, if the Services are needed more urgently than would be possible if the Council followed the tender or quotation procedure.
 - If, for technical reasons, the Services can be bought from only one provider and this can be justified.
 - If the proposed contract is an extension or change to the scope of an existing contract with a value (including the change or extension) that is below the relevant Public Contracts/Concessions Regulations thresholds. However, this does not apply if the existing contract provides for an extension. Seek Procurement and Legal advice prior to completing the Waiver.
 - If the Council can achieve value for money by not buying through an alternative procurement route.
 - Issuing only one or two quotations where three are required adjusting the level of insurances when seeking SME providers.

V Monitoring or Managing the Contract

- V1 The contract must be properly managed and checked to ensure that the contract is being properly performed and that the Council continues to obtain value for money. It is the Team Managers responsibility to ensure that this happens.
- V2 Contract monitoring and management arrangements agreed during the procurement process will be determined by the complexity and risk associated with the Contract and conditions in the relevant market. Such arrangements must take account of both financial and quality aspects.

Annex 1

Supplier financial appraisal Strategy

Aim

The aim of the supplier financial appraisal Strategy is to reduce as far as possible the effect of a business failure on the most vulnerable in the community.

Principles

The Strategy is based on:

- the need to help the Council make the right decision for all main critical contracts;
- promoting competition when buying Supplies, Works, Services and utilities;
- choosing the most suitable suppliers of Supplies, Works, Services and utilities based on a set of financial and market measures;
- the need to take account of the level of risk associated with the supply, service or supplier; and
- the ongoing assessment of the supplier's financial strength.

The main responsibilities

While the final decision to reject an applicant for financial reasons rests with the Director of Finance the emphasis will be based on a partnership approach.

Internal Audit will monitor how the Council follow this Strategy through their planned procurement audit assignments.

Method

The following method applies for all contracts awarded using a tendering procedure or Waiver.

For Low and Intermediate value contracts you do not need to carry out a financial appraisal before awarding a contract.

For High value contracts the Extended Leadership Team Member, the relevant Corporate Director and the Director of Finance will decide whether a financial appraisal is needed, before the contract is awarded.

For all PCR 2015 / Government Threshold contracts, a financial appraisal is required.

The basic assessment involves four questions as shown below.

- Is the type of supply or service being bought 'routinely' rather than as a one-off purchase?
- Is the supply or service readily available from a number of other suppliers?
- Can the supply or service be easily substituted?
- Are contract payments only made once the Council have received the supply or service?

If you answer no to any of the four questions, you will normally carry out a financial appraisal using the same process and a choice of those factors (1 to 8) shown below.

The Procurement Lead, Team Manager and a representative from the Finance team will decide on the need to carry out a financial appraisal for each year of the contract.

For all tendering exercises **over the Public Contract/Concessions Regulations threshold** the Council will carry out detailed financial appraisals.

Pre-contract award

Factors to be discussed

- 1 The Council will take account of output from financial checks carried out using the financial assessors such as, but not limited to, Dunn & Bradstreet and Experian (based on those accounts lodged with Companies House).
- 2 The Council will analyse the latest set of accounts (if not lodged with Companies House).
- 3 The Council may assess any appropriate securities available as early as possible, e.g. bonds.
- 4 The Council will carry out financial checks on the parent company (if there is one)
- 5 The Council will analyse the contract value when compared to:

- the recommended total yearly contract value;
 - the market standard of no more than 25% of turnover; and
 - the current total spending with the tender applicant.
- 6 In terms of the nature of the contract, the Council will look at:
- the type of supply or service (for example, regular or one-off);
 - the extent of competition within the market (for example, how easy to source the contract); and
 - the payment terms (for example, payment in advance or payment once the Supplies or Services are received).
- 7 The Council will also look at information from suppliers gathered through current arrangements for managing portfolios or from other sources.
- 8 The Council will check the movement in share prices (if this applies).
- 9 For sole traders and partnerships, the Council need to change certain factors. For example, the Council will replace factors 1 and 2 with the requirement for tender applicants to fill in a financial assessment in a format set by the Director of Finance. This will show certain information on trading accounts for the last three years. The assessment will automatically work out the average liquidity score.

Following on from the above, the Council will assess whether to reject the tender for financial reasons. Before the Council reject it, the Council will consider the need to get (where appropriate) a banker's reference or parent company guarantee. The Council will record and keep the result of this assessment (including the reasons behind it).

Post-contract award

In assessing the ongoing financial strength of suppliers, the Council will repeat the above process for each year of the contract within one month of the anniversary of the contract award date. This will help the Council manage contracts effectively.

For Contracts valued at/between £100,000 and £500,000 – the financial appraisal will be conducted once as part of the procurement process (prior to Contract award) and repeated, as a minimum, every 2 years

For Contracts valued over £500,000 – the financial appraisal will be conducted once as part of the procurement process (prior to Contract award) and repeated, as a minimum, each year

CODES AND PROTOCOLS

Section 2	Employees' Code of Conduct	249 - 258
Section 3	Protocol on Councillor/Employee Relations	259 - 264

South Staffordshire Council

Code of Conduct

www.sstaffs.gov.uk

Introduction

This Code of Conduct ("the Code") was adopted by South Staffordshire District Council ("the Council") as required by Section 27 of the Localism Act, 2011 ("the Act") at a meeting of the Council held on 10 May 2022.

The Council has a statutory duty under the Act to promote and maintain high standards of conduct by members and co-opted members of the Council ("the members").

Complaints alleging a failure to comply with this Code of Conduct will be considered in accordance with the procedure agreed by the Council which is available on the Council's website.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The Local Government Association (LGA) encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the Seven Principles of Public Life, also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty,
- I act lawfully,
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community,
- I do not improperly seek to confer an advantage, or disadvantage, on any person,
- I avoid conflicts of interest,
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- You misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor. Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

- 1.1 I treat other councillors and members of the public with respect.**
- 1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.**

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the Council's protocol on Councillor/Employee relations in part 6 of the Constitution.

2. Bullying, harassment and discrimination

As a councillor:

- 2.1 I do not bully any person.**
- 2.2 I do not harass any person.**
- 2.2 I promote equalities and do not discriminate unlawfully against any person.**

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

Code of Conduct

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. Given to me in confidence by anyone.
- b. Acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless:
 - i. I have received the consent of a person authorised to give it;
 - ii. I am required by law to do so;
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. the disclosure is:
 1. Reasonable and in the public interest; and
 2. Made in good faith and in compliance with the reasonable requirements of the local authority; and
 3. I have consulted the Monitoring Officer prior to its release.

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others.

- a. act in accordance with the local authority's requirements; and
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support.
- stationery.
- equipment such as phones, and computers.
- transport.
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a councillor:

- 8.1 I undertake Code of Conduct training provided by my local authority.**
- 8.2 I cooperate with any Code of Conduct investigation and/or determination.**
- 8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.**
- 8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.**

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

- 9.1 I register and disclose my interests.**

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority .

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a councillor:

- 10.1** I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.
- 10.2** I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.
- 10.3** I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendix A - The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B - Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable Pecuniary Interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in Table 1, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in Table 2), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
7. Where a matter arises at a meeting which directly relates to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

8. Where a matter arises at a meeting which affects:

- a. your own financial interest or well-being;
- b. a financial interest or well-being of a relative or close associate; or
- c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in Table 2.

You must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter (*referred to in paragraph 8 above*) affects the financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest.

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

PART 5 – SECTION 2

EMPLOYEES' CODE OF CONDUCT

EMPLOYEES' CODE OF CONDUCT

1. BUSINESS, PRIVATE WORK AND GIFTS

It is not acceptable for staff to undertake private work that may give rise to a conflict between the duties of the council and their duties to a private individual or organisation. Staff should not become involved in a private capacity in any way whatsoever in any matter on which the Council has to make a decision, e.g. Planning and Building Regulation Applications, or any matter in which the Council are involved, e.g. legal work, Grant Applications, Appeals, etc. The public and Members of the Council are entitled to expect their Officers to be entirely independent in such matters and any Officer who undertakes private work in breach of this instruction, without written authority from the appropriate member of the Corporate Leadership Team, will be guilty of Gross Misconduct and may be dismissed.

Notwithstanding the policy, in exceptional cases, the Council may be prepared to give consent for an Officer to undertake work of this nature and applications for consent, giving a detailed justification, should be submitted in writing to the appropriate member of the Corporate Leadership Team. Any difficulties of interpretation should also be referred to the appropriate member of the Corporate Leadership Team.

For confirmation on a particular matter please read the following guidelines.

2. GUIDELINES RELATING TO CONDUCT OF EMPLOYEES

2.1 Introduction

- 2.1.1 These guidelines are intended to assist employees in providing standards of conduct expected by South Staffordshire Council.
- 2.1.2 They apply to all employees of the Council, irrespective of the particular scheme of conditions the person is employed under.
- 2.1.3 The guidelines supplement:-
 - (i) current legislation, the Local Government Act 1972, (section 117 is included at Appendix 'A'); and
 - (ii) the relevant code of Official Conduct as contained in the National Scheme of Conditions of Service relating to the NJC for Local Government Services, JNC for Chief Officers and the JNC for Chief Executives.

2.1.4 The guidelines are intended to offer assistance to all employees and cover the following matters:-

- Declaration of interest
- Other Employment and Payment for Services
- Acceptance of Gifts or Hospitality
- Sponsorship of Major Council Events or Activities
- Confidentiality and Accuracy of Information
- Use of Council Facilities and Resources
- Political Interest/Activity
- Discrimination and Equal Opportunities
- Health and Safety Policy

2.2 Declaration of Interest

2.2.1 Upon the commencement of employment with the Council, all employees are required to “declare their interest” in any matters affecting the decisions and/or operations of the Council. In addition, a declaration should also be made in respect of any subsequent acquisition of an interest. An “interest” should be declared so far as it is known where it involves the following:-

- The employee
- The employee’s spouse or partner
- The employee’s close relatives, ie parent, brother, sister or child.

It is only necessary to disclose an interest where the employee can exert influence on any decision making process.

2.2.2 The declaration should be made in writing and submitted to the appropriate member of the Corporate Leadership Team who will forward it to the Chief Executive. A central register of interests will be maintained by the Chief Executive and a note of the declaration will be made on the individual’s file.

2.2.3 Employees are reminded of the NJC Scheme of Conditions for Local Government Services that states "Employees will maintain conduct of the highest standard such that public confidence in their integrity is sustained."

2.3 Other Employment and Payment for Services

2.3.1 Before engaging in any business activity or private work, whether paid or unpaid, employees must receive the consent of the appropriate Corporate Leadership Team. This will allow a decision to be made as to whether such employment or business activity conflicts with the Authority’s interest or in any way weakens public confidence in the Authority’s business. Notification of any business activity or private work must be given in writing.

- 2.3.2 The Corporate Leadership Team are authorised to give consent provided the activity or work:-
- will not interfere with the employee's official duties;
 - does not generate a conflict of interest with Council business;
 - does not relate in any way to the granting of planning permission or building regulation approval within the District, or to other decisions made by the Council or its officers (e.g. purchasing, improvement grants, mortgages); and
 - does not in any way relate to contracts entered into by the Council.
- 2.3.3 The Members of the Corporate Leadership Team will give any consent in writing and will notify the Chief Executive so that a note can be retained on the employees personal file and central register held in Human Resources Service and a copy retained on a central register maintained by the Chief Executive.
- 2.3.4 Where consent of a member of the Corporate Leadership Team is withheld, the employee concerned will have the right of appeal in the first instance to the Chief Executive and then through normal grievance procedures.
- 2.3.5 Where a business activity or form of private work is of a continuous nature, it shall be sufficient for the employee concerned to obtain one consent, provided that any change in the situation is notified by the employee at the earliest opportunity.
- 2.3.6 Where consent is given, the employee must ensure that it is made clear to all concerned that the activity has nothing to do with the Council and no liability rests with the Council. On no account must the activity be carried out during working hours and none of the Council's equipment or facilities should be used. In particular, telephone calls should not be taken at the offices of the Council and the Council's telephone number should not be given to third parties.
- 2.3.7 In the event that a fee is paid in respect of the provision of a service carried out by an individual in their capacity as an Employee of the Council, the fee should be made payable to the Council and not to the Officer concerned.
- 2.3.8 A register of other employment and payment for services will be maintained by the Chief Executive.
- 2.3.9 Employees are reminded of the relevant Scheme of Conditions relating to Official Conduct.

2.4 Acceptance of Gifts

- 2.4.1 The acceptance of gifts by employees in their individual capacity could be viewed with suspicion by members of the public and make the employee and the Council vulnerable to criticism. Employees should ask themselves the question: If a story appeared on the front page of a newspaper about the matter, would I be embarrassed? If yes, then it indicates you should not be accepting the gift. **This principle should be considered for all offers of gifts and hospitality.** The Bribery Act 2010 introduced a number of offences relating to the receipt of bribes where a financial or other advantage is being transferred; if you have any concerns you should seek legal advice at the earliest opportunity. The overriding expectation of all employees is that as they occupy positions of trust, they will act in good faith and with impartiality.
- 2.4.2 Modest gifts of a promotional nature, given by way of trade advertisements to a wide range of people, are acceptable. These include calendars, diaries, tape measures and articles for office use, e.g. pens, notepads. Also acceptable are gifts, whether or not of a promotional nature, offered at the conclusion of a courtesy visit to a factory or other premises. It is considered that a modest gift would not exceed the value of £50.00 and receipt of any gift valued higher than this must be notified to the Chief Executive.
- 2.4.3 If an employee receives a significant gift i.e. of a value estimated at over £50.00 without warning (for example, via the post), the employee should immediately inform the appropriate member of the Corporate Leadership Team/Assistant Director of this matter. The appropriate member of the Corporate Leadership Team will then become responsible, in consultation with the Chief Executive, in deciding upon the appropriate action to be taken. This action may involve the return of the gift to the sender or forwarding it on to some charitable or deserving cause, or other measures. The member of the Corporate Leadership Team concerned should inform the donor, in writing, of the action taken.
- 2.4.4 There may be occasions where it is not possible to refuse a significant gift without giving offence or where it would be churlish to refuse. In such cases the employee should immediately inform the appropriate member of the Corporate Leadership Team and enter receipt of the gift in the central register held by the Monitoring Officer.
- 2.4.5 In summary, if there is any doubt about whether a gift may be accepted, the gift should be politely and tactfully refused.

2.5 Offers and Acceptance of Hospitality

- 2.5.1 Whether employees should accept hospitality as a result of their employment at the Council is very much a matter of judgement given the particular

circumstances. The principle mentioned at 2.4.1 above should be considered. It must be apparent that no cause could reasonably arise for adverse criticism of the Council or individuals following the acceptance of any hospitality. It is important that any suggestion of improper influence is completely avoided. In such instances where any suggestion of improper influence is even remotely possible, the offer of hospitality must be politely refused by the employee. This applies to offers to employees and to their immediate families.

2.5.2 The following hospitality would generally be considered acceptable:-

- (a) An offer of a drink following a site visit.
- (b) Hospitality offered by other non-commercial or charitable bodies, provided that there is a general understanding that no indebtedness will result from the acceptance.
- (c) Invitations to functions the employee represents the Council in an official capacity, for example, when invited to speak, opening ceremonies, trade shows.
- (d) Invitations to functions where attendance would be by virtue of the employee's position and as a representative of the Council.
- (e) A working lunch where acceptance does not put the individual's personal integrity, or that of the Council, into question.
- (f) Hospitality of the "corporate entertaining" nature, for example, at sports, social or training events, or at conferences (where others are being simultaneously entertained), is acceptable if there is a general understanding that no indebtedness will result from acceptance. Unless specifically authorised as a duty, the employee would be expected to take leave if it occurs during working time.

2.5.3 Offers of hospitality that appear immodest or lavish should be refused and the offer reported to the appropriate member of the Corporate Leadership Team or to the Chief Executive.

2.5.4 Prior to accepting any offer of hospitality, the views of the appropriate member of the Corporate Leadership Team or Chief Executive should be sought. Receipt of any hospitality should be entered in the central register held by the Monitoring Officer.

2.5.5 Breach of the above provisions with regard to the receipt of gifts and hospitality will result in disciplinary action being taken against the employee.

2.6 Sponsorship of Major Council Events, Activities or Publications

2.6.1 All offers of sponsorship should be notified to the Chief Executive. Any sponsorship with a value greater than £500 requires the approval of the Chief Executive.

2.6.2 The record of sponsorship will include:-

- (a) Name of sponsor and type of sponsorship offered; and
- (b) Approval or refusal of the Chief Executive, where appropriate.

Details are to be notified on the relevant form and forwarded to the Chief Executive for retention on the Central Register of Sponsorship.

2.7 Confidentiality and Accuracy of Information

2.7.1 The confidentiality of information received in the course of an employee's duty should be respected and should never be used for personal or political gain.

2.7.2 No employee shall communicate to the public the proceedings of any confidential section of the Council's meetings, etc. nor the contents of any document relating to the Council unless required to do so by law or expressly authorised to do so by the appropriate member of the Corporate Leadership Team. Confidentiality remains when the employee has left the employment of the Council.

2.7.3 Information given by an employee in the course of a duty should be true and fair and never designed to mislead.

2.8 Use of Council Facilities, Resources, etc

2.8.1 Any facilities, equipment, tools, etc. provided by the Council for use in an employee's duties should be used only for those duties and for no other purpose except where prior approval has been granted by the appropriate Member of the Corporate Leadership Team. This applies to all facilities and property, including use of telephones, photocopiers, vehicles or other similar equipment.

2.8.2 Where arrangements are in place for employees to make payment for the private use of equipment, such as telephone calls and photocopiers, their position of trust should not be abused. It should be noted this does not give employees the right to use these "paid for" services to the extent that such use interferes with the duties of their post. In particular, telephone calls should be restricted to urgent or emergency use only and the Council's telephone numbers should not be given to third parties.

- 2.8.3 No employees should use their position to gain the use of Council or other services without payment of the appropriate charges. The approved arrangements for the use of equipment, services, etc for private use should always be followed.

2.9 Political Interest/Activity

- 2.9.1 Employees are reminded of their political neutrality and that they serve the Council as a whole and must ensure that the individual rights of members are respected.
- 2.9.2 It is vital that both the Council and the public are confident that employees will serve loyally and impartially. It is essential that in fulfilling their duties and responsibilities employee's own political views do not influence decisions or recommendations.
- 2.9.3 Employees should not carry out any political activity which in any way might confuse the public about whether or not they are still acting as a Council employee.
- 2.9.4 Certain posts are designated as "politically restricted" and have additional conditions laid on them. These posts will have been identified and details issued previously, should there remain any uncertainty employees should contact Human Resources for advice.

2.10 Equality Act and Discrimination

- 2.10.1 The Equality Act 2010 sets out the legal requirements concerning the promotion of equality, eliminating discrimination for everyone protected by the Act. The protected characteristics under the Act are, age, disability, gender, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion and belief and sexual orientation. Employees are required to ensure they do not directly or indirectly discriminate against colleagues, customers applying for a job or customers in receipt of services from the Council.

2.11 Failure to comply

- 2.11.1 The conduct of all employees should be such that they remain immune from any criticism or suspicion that their actions or decisions have been unduly influenced. Employees are expected to use common sense in assessing any situation where this could be construed. No employees should act in any manner that could give rise to such accusations.
- 2.11.2 It is the responsibility of every employee to maintain the standards and integrity expected in public service. It is also each employee's responsibility

to bring to the attention of the appropriate member of the Corporate Leadership Team any deficiency in the provision of that service and report any impropriety or breach of procedure.

- 2.11.3 Any employee failing to comply with this code of conduct will be liable to disciplinary action which may result in their dismissal.

Guidelines relating to Conduct of Officers

Local Government Act 1972 – Extract

Section 117

117-(1) If it comes to the knowledge of an officer employed, whether under this Act or any other enactment, by a local authority that a contract in which he has any pecuniary interest, whether direct or indirect (not being a contract to which he is himself a party), has been, or is proposed to be, entered into by the authority or any committee thereof, he shall as soon as practicable give notice in writing to the authority of the fact that he is interested therein.

For the purposes of this section an Officer shall be treated as having indirectly a pecuniary interest in a contract or proposed contract if he would have been so treated by virtue of section 95 above had he been a member of the authority.

(2) An officer of a local authority shall not, under colour of his office or employment, accept any fee or reward whatsoever other than his proper remuneration.

(3) Any person who contravenes the provisions of subsection (1) or (2) above shall be liable on summary conviction to a fine not exceeding (Level 4 on the standard scale).

PART 5 – SECTION 3

PROTOCOL ON COUNCILLOR/EMPLOYEE RELATIONS

PROTOCOL ON COUNCILLOR/EMPLOYEE RELATIONS

1. INTRODUCTION

- 1.1 The relationship between councillors and employees is an essential ingredient that goes into the successful working of the organisation. This relationship within South Staffordshire Council is characterised by mutual respect, informality and trust. Councillors and employees feel free to speak to one another openly and honestly. Nothing in this Protocol is intended to change this relationship. The purpose of this Protocol is rather to help councillors and employees to perform effectively by giving guidance on their respective roles and expectations and on their relationship with each other. The Protocol also gives guidance on what to do on the rare occasions when things go wrong. Responsibility for the operation of this Protocol lies with the Assistant Director Organisation and People Development.
- 1.2 The Protocol must be read and operated in the context of any relevant legislation and national and local Codes of Conduct and any procedure for confidential reporting.

2. ROLES OF COUNCILLORS AND EMPLOYEES

- 2.1 The respective roles of councillors and employees can be summarised as follows:

Councillors and employees are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Employees are responsible to the Council. Their job is to give advice to Councillors and the Council, and to carry out the Council's work under the direction and control of the Council, the Cabinet, and relevant committees, panels, etc.

Mutual respect between Councillors and employees is essential to good local government.

2.2 Councillors

Councillors have three main areas of responsibility: determining the policy of the Council and giving it political Leadership, representing the Council externally, and acting as advocates on behalf of their constituents. It is not the role of members to involve themselves in the day to day management of Council services.

2.3 Members of the Cabinet, Chairmen of Committees

Members of the Cabinet and Chairmen of Committees, Panels etc have additional responsibilities. Because of those responsibilities, their relationships with employees may be different from, and more complex than those of councillors without those responsibilities, and this is recognised in the expectations they are entitled to have.

2.4 Opposition Members

As individual members of the Council, all councillors have the same rights and obligations in their relationship with employees and should be treated equally. This principle is particularly important in the context of scrutiny and overview. However, where a political group forms an administration, either alone or in partnership with another group or groups, it is recognised that the relationship between employees, particularly those at a senior level in the organisation, and the administration will differ from that with opposition groups.

2.5 Employees

The role of employees is to give advice and information to members and to implement the policies determined by the Council.

Certain employees e.g. Head of Paid Service, Monitoring Officer and Director of Finance (Section 151 Officer) have responsibilities in law over and above their obligations to the Council and its Members that they must be allowed to discharge.

3. **EXPECTATIONS**

Councillors can expect from employees:

- A commitment to the Council as a whole, and not to any political group
- A working partnership
- An understanding of and support for respective roles, workloads and pressures
- Timely response to enquiries and complaints
- Professional advice, not influenced by political views or preference, which does not compromise the political neutrality of employees.
- Regular, up to date information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to any individual responsibilities that they have and positions that they hold
- Awareness of and sensitivity to the political environment
- Respect, dignity and courtesy
- Training and development in order to carry out their role effectively

- Integrity, mutual support and appropriate confidentiality
- Not to have personal issues raised with them by employees outside the agreed procedures
- That employees will not use their relationship with members to advance their personal interests or to influence decisions improperly
- That employees will at all times comply with the relevant Code of Conduct

Employees can expect from councillors:

- A working partnership
- An understanding of and support for respective roles, workloads and pressures
- Political Leadership and direction
- Respect, dignity and courtesy
- Integrity, mutual support and appropriate confidentiality
- Not to be subject to bullying or to be put under undue pressure. Members should have regard to the seniority of employees in determining what are reasonable requests, having regard to the power relationship between members and employees, particularly at junior levels
- That councillors will not use their position or relationship with employees to advance their personal interests or those of others or to influence decisions improperly
- That councillors will at all times comply with the relevant Code of Conduct

4. WHEN THINGS GO WRONG

Procedure for employees

- 4.1 From time to time the relationship between councillors and employees may break down or become strained. Whilst it will always be preferable to resolve matters informally, through conciliation by an appropriate senior manager or councillor, employees will have recourse to the Harassment and Grievance Procedures or to the Council's Monitoring Officer, as appropriate to the circumstances. In the event of a grievance or complaint being upheld, the matter will be referred to the Chief Executive, who, having advised the Leader of the Council and the appropriate Group Leader will decide on the course of action to be taken, following consultation with the Chairman and Vice Chairman of the Standards and Resources Committee.

Procedure for Councillors

- 4.2 In the event that a councillor is dissatisfied with the conduct, behaviour or performance of an employee, the matter should be raised with the appropriate member of Corporate Leadership Team (CLT). Where the employee concerned is a member of CLT, the matter should be raised with the Chief Executive. Where the employee concerned is the Chief Executive, the matter should be raised with the Assistant Director Organisation and People Development. If the matter cannot be resolved informally, it may be necessary to consider mediation or invoke more formal employment procedures depending on the circumstance.

PART 6

3. Where a term of office of any person covered by this scheme begins or ends otherwise than at the beginning or end of a year, the entitlement shall be to payment of such part of the allowance as bears to the whole the same proportion as the number of days during which the term of office as member subsists bears to the number of days in that year.
4. Where payment of any allowance has already been made in respect of any period during which any person covered by this scheme is concerned is:
 - 3.1 ceases to be a member of the Council; or
 - 3.2 is in any other way not entitled to receive the allowance in respect of that period,

the Council may require that such part of the allowance as relates to any such period be repaid to the Council.

1. Where a member of the Council is also a member of another authority, that member may not receive allowances from more than one authority in respect of the same duties.
2. Any person covered by this scheme may, by notice in writing given to the Chief Executive, elect to forego the entitlement or any part of the entitlement to allowances.
3. Any person covered by this scheme shall supply on a monthly basis, any claim for travelling and/or subsistence allowances to which they have become entitled during the previous month and details of any other expenses incurred in the performance of their duties as a councillor and for which they have not been reimbursed.
