Enterprise in South Staffs

Connect • Start • Grow

South Staffordshire Council is committed to supporting local businesses.

Through the UK Shared Prosperity Fund, the council offers a comprehensive range of support programmes, services and events for all businesses across South Staffordshire whatever your business age, size or sector.

Start in South Staffs

Start in South Staffs provides practical advice and guidance for budding entrepreneurs and businesses which have been trading for up to two years.

New businesses can benefit from a bespoke programme of support and workshops designed to equip new business owners with the fundamental tools and knowledge required to run a successful business.

Eligible businesses may also be able to access grant funding of up to £1,000 to support with start-up costs.

Strive for success

Strive for success is a business growth programme designed to assist existing businesses trading for two years and over realise their growth potential.

Businesses will receive one to one support and have the opportunity to work with a growth specialist through a bespoke series of workshops focusing on the importance of business planning.

Eligible businesses can apply for a grant of up to £7,000 to support their growth aspirations.

Businesses will receive one to one support and have the opportunity to work with a growth specialist through a bespoke series of workshops focusing on the importance of business planning and strategy.

The short workshops are designed to inspire confidence and equip businesses with the fundamental tools and knowledge required to become investment ready.

Following completion of the workshops eligible businesses will have the option to apply for grant funding of up to £7000 to support their growth aspirations.

If you have a business based in South Staffordshire and you would like to strive for success, please complete the short application form to register your interest. Places are limited and will be allocated on a first come, first served basis.
